MRS. THAW'S TEARS WERE OF IRRITATION ON BEING FOUND OUT.
"Kit" Says That Evelyn Thaw Has No Moral Sense—She Was Sold By Her Mother to the Highest Bidder.
"Kit," of the Toronto Mail-Breeze, has been in New York at the trial, and writes as follows: "Never did I know a more sordid and unscrupulously immoral man than the man who sold Evelyn Thaw for a few yards of velvet and a hand-ful of lace."

FASHION'S FORM.
House Model in Pale Blue Metasteline.
A charming house is here illustrated in the model which the mensur- ing inset with half-inch-wide fine chin heading, and fine tucked sections of the silk. A design in hand embroidery in pale blue silk of delicate, maize color and silver ornamented the front of the corsage and the sleeves. The small square yoke was of cream-white Chantilly, lined with chiffon.

LETTERS TO THE EDITOR.
Another Go At Pyke.
McLaren's Depot, Ont., Feb. 28.—(To the Editor): I would like to use a little space to reply to some of the remarkable statements of Grant Pyke, of Wolfe Island. Mr. Pyke certainly gives a wonderful account of Western Canada. Men who have lived in the North-West four years do not know half as much about the country as this smart man from Wolfe Island, who made the trip across the country in a sleeping car on the Pacific Express, and evidently was asleep most of the time. Mr. Pyke's description of the settlers' houses and meals is very pathetic and very untrue.

LADY ASSURBURY.
Formerly Frances Belmont, the "Flourista" girl who is said to have first introduced the new toilet to Harry Thaw. The prosecution sought to have much to get her testimony, but she is now in England, nursing some ambitious and will not come to America.

According to immemorial usage European servants are entitled to tips as an assured part of their income. At the hotels the theory is that the landlord furnishes a guest a private room and the use of the public rooms, heat and light food, and dishes, but not menial service.

DR. KOHR'S RESTORINE
The New Century—the most wonderful medicine ever discovered. It is astounding the medical world. 10,000 cases cured in one month in Paris. The National Medical Board has recommended this remedy for use in the House of Representatives, as it is well known that a majority of the male inmates are victims of lost vitality in its most terrible form.
