WEAK HEART SYSTEM WAS RUN DOWN

When the heart is healthy and performing its functions naturally, it beats regularly seventy-two times a minute without causing the slightest inconvenience or distress.

MILBURN'S HEART AND NERVE PILLS Many people are kept in a state of morbid fear of death, become weak, worn and miserable, and are unable to attend to either social or business duties, through unusual action of their heart.

Dictations Not in Order. The Ottawa people have a grievance against the Beck Commission.

More Ticket Scalping. Mr. Maclean has not succeeded with his bill, to make scalping legal, but the discussion will do good.

Putting On The Scowls. Mr. Clark, representing Northumberland in the legislature, in discussing the budget, dealt with a feature of it, which is attractive.

Matheson And His Post. The conservative papers do not correctly reflect liberal sentiment on the provincial budget.

Power From The Falls. There is a rumour that does not appear to be correct—that the power company which Mr. Culverwell represents is not in accord with the Hydro-Electric Commission.

but, they could not say it was not good to the poor, and God knows that any family which has lunacy on its hands has trouble enough.

Editorial Notes. Will Ald. Toye please tell the people when they may expect lower rates for electricity and gas?

General Booth does not want much—only half a million dollars—for colonization in England and Africa. Will he get it?

Hon. Mr. Pugsley has become premier of New Brunswick, Mr. Robinson the provincial secretary, and Mr. Bevan the speaker.

The Brookville Times refers to Mr. Stuholme as "the socialist M.P.P. for Hamilton." What is to be gained by this misrepresentation?

Mr. Sifton is, out of Canada, on a visit to England, and Mr. Foster is saying things about him. This is a sign of Mr. Foster's bravery.

The Manitobans are voting, to-day. Who will be successful—liberals or conservatives? The former had only seven or eight members in the last house, and the leader of the party was not a member. A turn-over, to give the liberals the government, would be tremendous.

Hon. Bob Rogers' attack on Hon. C. W. Gordon (Ralph Connor), in the Manitoba election, is the sensation of the day.
