With The World

Here's A Suggestion.

Are you getting full value out of life? And is the world getting full value out of you? In matters of business and in our relations, man to man,
we owe it to ourselves and to the
world to do our best,—to make ourselves of full value. Do this and, in
turn, you will get full value out of life.
You can't do full justice to anything
unless you feel right. And you can't inless you feel right. And you can't feel right unless you live right. Eating right is essential to living right.

Eat the right kind of food and you will not suffer. The right kind of food for you and your family, the weak and the strong, the sick and the well, the grown folks and the little folks, is Malta-Vita, that delicious, crisp, whole-A perfect breakfast is impossible without Malta-Vita, and it's just as good three times a day. Being a pure grain product, without any foreign sweetening agent or other adultera-tive, Malta-Vita is rich in food ele-

ments-every nutritious element of the best white wheat and pure barley malt extract—intensely vitalizing.

Try Malta-Vita with cream or fruit.
There is no other food "just as good."
None that can take its place. And it's always ready to eat. No cooking. No inconvenience. All grocers, now 10
