A. B. Dennison, of Portage la Prairie,
Man., sold a valuable corner on Pacific
Avenue, Brandon, to Mr. Nation and A.
Maybee, the price paid being \$20,000
cash. It is understood the property is
wanted for a large and up-to-date hotel.

President Roosevelt, on the eye of the
adjournment of congress, created new
reserves of frost lands. The reservations in Washington. Oregon and Idaho
aione amount to about 8,500,000 acres.
The aggregate will be probably 15,000.

the United States Steel Corporation on Lake Michigan, not far from Chicago, will have 100,000 population from 6the start. Five million dollars has already been spent in the erection of houses, public buildings and in the preparation cot home. last recent home.

Tobacco buyers state that the most notable break in years in New England tohacco prices has occurred of late. Tobacco which growers held at from 16 to 20 cents a pound last fall has sold at from 12 to 15 cents a pound in the bundle. Growers admit that the market is weak, but assert that the sales in cuestion were not for the best grades of the 1906 crop.

Mr. Fowler's Spectacular Threat Up in House Again-J. M. Courtney Examined Before Public Accounts Committee.

rom Our Own Correspondent. Ottawa, March 9,-A wreath flowers lay on the desk of the late finance department for the payment of Edward Cochrane, M.P., conservative member for East Northumberland, in were in all \$162,000 less.

and these references were damaging against one member of the house, and Shannon, who was accountant of the

found there was a difference between the amounts charged on construction and what was actually done. The railway officials said that as the papers had been sent to England the amounts would be deducted from the next accounts submitted. At all events the railway department asked, the return of the certificates submitted to the finance department for the certificates.

and no one enjoyed them more than the premier, who never misses the point of a good joke.

Mr. Bourassa again brought up Mr. Fowler's spectacular threat of some seeks ago, and said that at that the time.

Mr. Courtney, and treat the minister and Mr. Courtney, and treat the conference with the minister and Mr. Courtney, and treat the conference with the minister and Mr. Courtney, and treat the conference with the minister and Mr. Courtney, and treat the conference with the minister and Mr. Courtney, and treat the conference with the minister and Mr. Courtney, and treat the conference with the minister and Mr. Courtney and treat the conference with the minister and Mr. Courtney and treat the conference with the minister and Mr. Courtney and treat the conference with the minister and Mr. Courtney and treat the conference with the minister and Mr. Courtney and treat the conference with the minister and Mr. Courtney and treat the conference with the minister and Mr. Courtney and treat the conference with the minister and Mr. Courtney and treat the conference with the minister and Mr. Courtney and treat the conference with the minister and Mr. Courtney and treat the conference with the minister and Mr. Courtney and treat the conference with the minister and Mr. Courtney and treat the conference with the minister and Mr. Courtney and treat the conference with the minister and Mr. Courtney and Mr. Cour Mr. Bourassa again brought up Mr. Fowler's spectacular threat of some weeks ago, and said that at that time the prime minister and the opposition lender had agreed that the session could not pass without a discussion of the matter, but that it would be well to wait for the insurance commission's report. Well, the report had been down now for some days, and been down now for some days, and remember any of the items. The first were made to Referee Hancock over

and examined the books there. He BURGLARS BLEW OFF SAFE

Secured \$200 in Stamps and \$100 in Money-They Were Professionals.-The Interior of the Office Damaged.

New Hamburg, Oht., March 9.—The New Hamburg post office was burglarized, last night. The intruders were undoubtedly professionals, from the business way in which they accomplished their work. They entered early through a glass-partioned back door, blew off the safe door and abstrated over three hundred dollars, \$200 being member for East Northumberland, in the House of Commons, yesterday. He died yesterday morning. Both the lender of the opposition and the premier paid a kindly tribute to his memory. Sir Wilfrid remarked upon his unfailing good humor, and the brilliant Irish wit that so often characterized his speeches.

Mr. Courtney and probably Mr. Shannon, and that the irst certificates between Mr. Field ng and Mr. Courtney and probably Mr. Shannon, and that the irst certificates were "padded." He was not present at the sledge hammer and chisel, stolen from "padded." He was not present at the conference, but he was told what took place.

Mr. McDonald (Distance of findance and point the first certificates between Mr. Field ng and Mr. Courtney and probably Mr. Shannon, and that the irst certificates were "padded." He was not present at the conference, but he was told what took place.

Mr. McDonald (Distance of findance and their work. They entered early through a glass-partioned back door, blew off the safe door and abstrated over three hundred dollars, \$200 being in postage stamps, after which they decamped unseen by anyone here. A sledge hammer and chisel, stolen from Rogers' blacksmith shop, were left beconserved as the conference, but he was told what took place.

remember any of the items. The first were made to Referee Hancock over certificates were cancelled and others his decisions. The rink management The report contained references to were substituted by the railway de had one summons issued this morn-Mr. Schreiber said that he certified follow. It is probable that the case the accounts sent to the finance de- will be heard by Magistrate Farrell on

There was a good deal of talk on the streets, to-day, about the affair and the general opinion is that it was most unfortunate that such a scene should have occurred. The whole trouble, so it is stated, was caused by two or three persons who had lost wanted to get their revenge by ge ting after the referee.
