PRESBYTERY MEETS

REV. HENRY GRACEY WAS NOMINATED. As Moderator of the General Assembly—Reports on Church Work During the Past Year Presented.

Arrangements were made for the institution of Rev. Mr. Graham at Madoc, should he accept the call from that congregation. A communication relating to union was submitted by the clerk, and Principal Gustin, as a delegate to the conference...

At the evening meeting, the attendance was increased by the addition of Dr. Third. Mr. Gracey reported on his report, which showed that all the aid-receiving congregations had increased their contributions...

Mr. Smith reported on Young People's Societies. Some had not reported, and the contributions were not equal to those of last year. They are a most important factor in the work of the church.

Prof. Laird reported from the committee on the examination of students. Eight have completed their preparatory studies, and are recommended for license.

DEATH OF MICHAEL BRICK. Arrived Home From Chicago Three Weeks Ago. The death occurred at 2 o'clock this morning of Michael Brick, aged thirty-six, at the family residence, 94 Bay Street.

"Sergeant Kitely." Helen Byron, the star of the comic opera that will sing "Sergeant Kitely" at the Grand on Tuesday, March 19th, made her first hit in Canada as a leading woman in stock companies in Toronto.

LETTERS TO THE EDITOR.

Reply to Dr. Ackroyd About Freeing the Toll Roads.

Township of Kingston, March 11. (To the Editor): In your Saturday's issue, I notice a letter written by Dr. Ackroyd in which he strongly advocates the purchase of the Perth Road, and a reply would say that where any particular part of a township or county has a grievance, that is not general and can only be eliminated by the action of the council of the township or county...

At present all Cobalt ores are shipped out of Canada for treatment. It is a special duty for a special duty like the toll roads and not a select few like the toll roads and not a select few like the toll roads and not a select few like the toll roads...

A COBALT SMELTER MAY BECOME A KINGSTON INDUSTRY.

A Toronto Company Wishes to Establish Here—Kingston Picked Upon Because Cheap Coal Can Be Secured. C. F. May, of Toronto, was here yesterday, and interviewed Ald. W. G. Craig, chairman of the city council industries committee.

INCIDENTS OF THE DAY.

Newspapers Picked Up By Reporters on Their Bounds. Still selling seedless oranges for being a down at Carnovsky's. The steamer Alexandria will dock at Folgers' this season, instead of at Craig's wharf.

A Word About Nuisances. Kingston, March 11. (To the Editor): I see that a citizen very properly took the first step to put a stop to the depositing of rubbish on the streets.

Ten new policemen are to be appointed at Hamilton. The company would erect a plant to cost \$100,000, and would pay \$1,200 a week in wages to the employees.
