bleeding in disguise to me that I am only too pleased to give my testimonial. About a year ago I contracted a severe cold at a critical time, which caused my periods to cease. I had very severe pains and sick spells, and this continued for several months with no relief. Finally I decided to try your Vegetable Compound. After two weeks I became regular, had very little pain in the second month, and in three months' time I was restored to health. I consider your Vegetable Compound well worthy of praise.

Zula Ecclison, of 6 Erie Street, East, St. Thomas, Ont. writes:

Dear Mrs. Pinkham— "I heartily recommend Lydia E. Pinkham's Vegetable Compound as a tonic and regulator for female troubles. I suffered for four years with displacement, and no one but those who have experienced this dreadful agony can form any idea of the physical and mental suffering those endure who are thus afflicted. Your Vegetable Compound cured me. Within three months I was fully restored to health and strength, and now my periods are regular and painless. What a blessing it is to obtain such relief when so many doctors fail to help you. Your medicine is better than any doctor or medicine I ever had."

No other medicine in the world has received such widespread and unqualified endorsement.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass. She is the daughter-in-law of Lydia E. Pinkham, her assistant for many years before her decease, and for twenty-five years since her advice has been freely given to sick women.

EX-MAYOR CRUMBO RECOMMENDS PE-RU-NA.

My Endorsement of Pe-ru-na is Based on Its Merits.

Ed. CRUMBO, Ex-Mayor of New Albany, Ind., writes from 511 E. Oak street:

"My endorsement of Peruna is based on its merits. "If a man is sick he looks anxiously for something which will cure him, and Peruna will do the work. "I know that it will cure catarrh of the head or stomach, indigestion, headache and any weary or sick feeling. "It is bound to help anyone, if used according to directions. "I also know dozens of men who speak in the highest terms of Peruna and have yet to hear of anyone being disappointed in it."

Mr. Crumbo, in a later letter, dated Aug. 25, 1904, says:

"My health is good, at present, but if I should have to take any more medicine I will fall back on Peruna."

Reproduced above, is a portrait of the late Mr. C. B. Record, the founder and original head of the Record Foundry & Machine Co., of Moncton, N.B., and Montreal, P.Q.

Previous to Mr. Record going into the manufacture of stoves, these used in Canada were almost wholly of American manufacture. The character of the work turned out by the Record Foundry & Machine Co., at once gave their stoves a standing, and as a result a very large business soon grew up, largely owing to Mr. Record's untiring industry and perseverance against many obstacles.

Although Mr. Record retired from active business as far back as 1879, the solid basis on which he had established the industry, has resulted in its growth from a sturdy pioneer into one of the largest stove manufacturing plants on the northern half of the American continent. With two large plants, one in Moncton and one in Montreal, the Record Foundry & Machine Co. are known from Halifax to Vancouver, and their "Catalytic" and "Admiral" furnaces and "Penn Ester" ranges recognized as the standard of Canadian excellence.

THE LATE MR. C. B. RECORD, FOUNDER OF THE RECORD FOUNDRY.

Stops Headache

Zutoo, the Japanese headache cure, is a friend in need. Don't without a trial, condemn it as something that will hurt you. Taken when you suspect a headache, it will ward it off. Taken later it will cure the headache in twenty minutes. In every case it will leave you feeling good. It is harmless as the soda which is one of its ingredients. If it does not do all that is claimed for it, then discard it. But don't confound it with the drug cures and condemn it without a trial. That isn't fair to

Cook's Cotton Root Compound.

The great Uterine Tonic, and only safe effective medicine for women's ailments. Sold in three degrees of strength—No. 1, 2, 3. No. 1 is the most powerful, No. 2 is the most moderate, No. 3 is the most delicate.

Told in the Twilight

The finals in the American Badminton tournament were played off at the Armouries on Saturday. Mrs. Arthur Flower March and Mr. Ernest Gilder were pitted against Miss Marie Carruthers and Major N. A. W. Scott, and the latter won. The prizes were put up by Mr. Iva Martin and were decidedly worth while winning. Miss Carruthers' prize was a pearl pin, and Major Scott's a pair of gold cuff links. There was tea as usual, after play was over. On March 23rd there will be a tournament, mixed doubles, for a prize put up by Major Scott. April 8th, is the date on which our players go to Montreal, and eight will probably be the number going.

Mrs. John Marshall, Colborne street, gave a small tea, last week, for Mrs. Johnston, of Toronto, who is Mrs. A. G. Flett's visitor.

Millinery openings and Easter bonnets have, this week, most acceptably filled the place of the afternoon tea, and the bridge. There is a thrill imparted by the millinery openings that the above-mentioned amusements are powerless to convey.

The assault-arms will take many both old and young to the Royal Military College tonight.

Mr. John Mackie is entertaining at tea, at St. Andrew's manse, this afternoon.

Mrs. E. T. Taylor will give a supper party at the R.M.C. commandant's residence after the assault-arms tonight.

The St. Patrick's day cake walk, which is such a feature of R.M.C. life, and to which none but the staff, the cadets themselves, or ex-cadets are invited, took place, this year, on Monday night.

Mrs. Frederick Brownfield, Wellington street, entertained the Bridge Club, on Monday night. The prizes were won by Miss Bessie Gordon and Mr. Charles Shannon. Not all the regular club members were able to be present, so there were several substitutes to make up the number. Both Miss Mabel and Miss Dorothy Brownfield played, and among the other players were Mrs. F. D. Lafferty, Miss Bessie Smythe, Miss Gertrude McFarland, Miss Letitia Tandy, Miss Loreta Swift, Miss Adelaide Ritchie, Mr. P. G. Campbell, Mr. Arthur Dalton, Mr. H. C. Keat, Mr. Holloway Waddell, and Mr. F. McFarland.

Among those whom their people hope to have with them for Easter, are Mr. and Mrs. Ernest Hubbell, Mrs. Frederick Birkett and Miss Tot Taylor, from Ottawa; and Mr. and Mrs. H. MacMurray Kelso from Toronto. Mrs. Cranston may also be here from Armprior.

Major N. A. W. Scott will give a supper party after the assault-arms tonight.

A mess dinner was given at the barracks, last night, in honor of Major H. E. Burstall.

Half a dozen of the younger girls went over to Mrs. E. T. Taylor's, Point Frederick, on Saturday, and an equal number of cadets met them there and they had tea, and a very jolly hour or two.

Mrs. R. E. Sparks, University avenue, who has been so seriously ill for many weeks, was able to go out dry for the first time. Her friends are wishing for her speedy recovery.

The engagement is announced of Miss Nellie Stroud, youngest daughter of Mr. W. A. Stroud, W.O., R.C.H.A., to Mr. Francis Vanderrift Samwell, of this city. The marriage will take place in July.

Winnipeg Town Topics of March 10th mentions, in its society columns, the names of several people well-known in Kingston. It speaks of Mr. and Mrs. Miles Cotton passing through on their way to Saskatoon. Mrs. Edwin Loucks as being a participant in several gaieties, the great pleasure which the visit of Miss Kathleen Hartly and Miss Mary Ouler gave those who met them during their stay there.

Invitations have been received in town for the marriage of Miss Townsend, daughter of the Rev. J. A. and Mrs. Townsend, of Southsea, England, to Mr. H. A. Kaalbach, of the Royal Warwickshire Regiment. The bride-to-be is by birth a Canadian, having been born in Halifax while her father was chaplain to the forces. Mr. Kaalbach, who graduated from the Royal Military College in 1899, is now stationed in Ireland.

Mrs. John Mackie will entertain at tea at St. Andrew's manse to-morrow, as well as to-day.

Miss Bessie Smythe, West street, will not get off for her Winnipeg visit, till early next week.

Mrs. Alfred Fair, who is now in Rochester, N.Y., will probably go down to Kentucky for a couple of months, while her husband is in the west. She will leave, if she goes, in May.

Mrs. W. D. Hart, Toronto, came down last night to be with her mother, Mrs. W. J. Savage, Montreal street, who has been seriously ill with pneumonia.

Mrs. G. Potter, of Lansdowne, is the guest of Miss Letitia Tandy, at "The Chestnut."

Mrs. E. O. Sizer, who has been visiting Mrs. E. D. Baker in Ottawa has returned to Kingston.

Miss Molly Cartwright is expected in Ottawa from Boston this week.

Lady Cartwright entertained on Tuesday at luncheon for Lady Tilley, who arrived in Kingston on Saturday, from St. John, accompanied by Miss Emily.

PROMINENT CLERGYMEN APPEAL TO ROOSEVELT.

Federation of Churches See Great Religious Decline in Metropolis and Unless Immediate Steps Are Taken the City Will Become a Nest of Infidels.

New York, March 20.—"Unless immediate steps be taken to stop the religious decline which is spreading in New York, the city will become a nest of infidels; the belief in God will be forgotten and our great metropolis will become a city of no religion."

This statement was made, yesterday, by the Rev. Dr. Anson P. Atterbury, president of the Federation of Churches, and pastor of the Park Presbyterian church.

Dr. Atterbury has just returned from Washington, where he was a member of a committee sent by the federation to advise the aid of President Roosevelt in checking the religious decline in New York.

"The love for the material things of the world has usurped the place formerly held by the love of God," said Dr. Atterbury. "We are tottering on the verge of a terrible religious disruption. Nothing can save the city from sinking into the depths of unbelief, but immediate efforts by the people and the churches to revive religious interest."

"In the last five years there has been an increase of more than 300,000 in the city population, but there has been a decrease in the number of churches. Such a condition is terrible. A great crisis is at hand. Herculean efforts will have to be put forth to keep us from falling. Already we have begun to slip. In a short time our city will become a home of atheists. When religion drops away vice creeps in, and there is no telling what will come to us."

"But it is not too late now. Realizing the danger which is menacing us, the Federation of Churches is doing all in its power to check the waning faith and to restore it to the great love of inhabitants. There are all fighting for a common end—the preservation of the belief in God."

Dr. Atterbury said that a great movement would be set on foot next year to win back the people to religion. He said that the churches of all denominations would band together.

The committee, under the leadership of Dr. Atterbury, at a conference with President Roosevelt, presented their appeal for help.

"The president has signified his intention of co-operating with the federation for the revival of religious interest in New York," said Dr. Donald Sage McKay, one of the committee.

"We hope to persuade him to come to New York next month and address a mass meeting at Carnegie hall on the necessity of the preservation of religious beliefs. The president was swamped with business of state, however, and will be unable to come. But he said that he hoped he would be able to appear before the people in this city in the fall on the subject of religion."

"70 YEARS REPUTATION BEHIND IT"

Will Kissing Be Prohibited?

The Osculatory Process Denounced by Scientists as Extremely Dangerous—How the Danger Can Be Removed.

A keen discussion is being carried on by some of the latest scientists as to the danger and "crime" of kissing.

led by Dr. Somers, Health Officer of Atlantic City, and Dr. Nalpass, of the Medical Faculty of Paris. They charge the kiss with spreading grippe, scarlet fever, measles, mumps, whooping cough, typhoid fever, diphtheria, erysipelas, meningitis, tuberculosis, and many infectious ailments, as well as a view to the protection of the innocent babies who are particularly subject to infection. The greatest and most effective purifier and germ destroyer known to medical science for the mouth, throat and breath, as well as for the blood, stomach and lungs, is Psycline, that triumph of the medical world, that is attracting almost universal attention because of the wonderful results attending its use. One of its recent triumphs is told as a matter of experience in the following brief statement:

"I suffered for over two years from catarrh of the head and throat and stomach, and an obstinate hacking cough. The slightest cold or change of weather would cause the disease to return worse than before. Doctors gave me no relief. I saw Psycline and (Oxomulsion) advertised in the newspapers, and decided to use them. They had a splendid effect in my case. I obtained the permanent cure I had so long and so anxiously desired. Psycline appears to be a perfect germ destroyer. I shall do all in my power to increase the popularity of the Dr. Slocum remedies in this vicinity. I always keep Psycline in our house. It is our only doctor."

"LEGER L. HARDY, "St. Basil de Portneuf, Que."

Psycline, pronounced si-keen, is admitted by all doctors and scientists who have interested themselves sufficiently in their profession and in the welfare of the public to investigate its marvelous qualities, and consider it an unprejudiced manner its results, to be the most wonderful of all disease and germ-destroying agencies. For building up the run-down system and curing all forms of stomach trouble and diseases of the chest, throat and lungs or head, it is simply unapproachable. It is destined to revolutionize many of the old theories, and furnish a reliable home treatment. For sale at all druggists, 50c. and \$1.00.
