NO REDUCTION IN PRICE IF POSSIBLE.

M. Campbell-Joint cussed the Street Lighting fied. The annual statement showed a Question This Morning.

This morning there was a joint meeting of the civic light, heat and It was finally resolved on motion power and the fire and light commit- Ald. Givens to refer the question tees, to discuss the question of street providing additions to the street ighting. Present were, Alds. Toye, lighting and readjusting circuits to Ross, Nickle, Gaskin, Graham, Millan. permit of the same at a minimum of Givens, Henderson and Douglas. J. cost, to the light, heat and power M. Campbell, the light plant manager and expert, was also present. The first matter taken up was with

regard to the account rendered to the fire and light committee for extra street lighting for the last quarter of 1906, amounting to \$380. This amount was considered excessive, as the average extra charge is about \$38. Ald. Nickle pointed out that all year the floral decorations, tastefully arranged, city had been allowed only for 400 adorned the alter and chancel. The hours for extra lights. The agree- celebration began with eight o'clock ment, according to Ald. Nickle, speci- communion. At the later morning should be allowed, free of charge, 150 filled with worshippers. The services hours a year on each lamp. This were bright and hearty. The choir, would amount to 17,000 hours, figur- which numbered more than twenty ing on 115 lamps, or 22,000 hours on voices, under the leadership of Mrs.

Ald. Toye pointed out that the re- May Newman, surpassed themselves in duction for street, lighting made on the style and quality of their singing. didn't know, but there was no record could charge the old rate of \$72.66 a That My Redcemer Liveth," with her ters were more than equalized between

new agreement, making the cost of street lighting \$62 a lamp instead of rents and teachers, and 127 children considered. It was pretty well under-stood that the light department, in
