The police were summoned and pears to me wonderfully good. I ac- would have taken the old man to the cept it, and believe in it, frills and station but for the intervention of a all. But the secondary system seems | prominent citizen, who saw the whole to me cruelly mistaken from the affair. The matter may be aired in the standpoint of the teacher, the pupils, police court. The sidewalk was cover-

"To our province undoubtedly sti belongs the moral and material primfields are we searching helplessly for leaders? A great deal is indeed being debated by our churches, but without great leadership. In various fields we organize, but we cannot animate the machines we construct. We have scholarship, scientific attainments, good, preachers, and corporation lawyers, and probably the most skilful teaching to be found on the continent, many men 'decent not to fail,' but no distinction. We know what distinction counsels and statesmen, and we knew they were great while yet we had them. But we appear at the moment to have got rid of individuality and leadership. The truth is that the life

starvation in its lower grades, partly because we cannot show the people what education really means," "To feach our future citizens that they will scorn the briber and the grafter," was the object aimed at by A. A. Jordan, who advocated the addition of courses in "civics," and jects would prove the solution of the present tendency to graft and bribery. He would have the text-book on

An angry crowd soon gathered and ed with blood, where the old man To this cause Prof. Milner ascribed fell. It was nearly an hour before he Ontario's lack of great leaders. He regained consciousness.

Two Happy Marriages. Athens, April 4 .- On March 28th, at the home of Henry Smith, Miss Agnes Knapp, Plum Hollow, and Ernest ibson, Toronto, were united in marriage. On Good Friday Miss Hazel Rappell and Albert Brown, Seeley's Bay, were quietly married at the home of the bride's mother, Mrs John Rappell, Rev. S. J. Hughes office ciating. The Easter thank-offering service held by the W.M.S., in the Methodist church, on Good Friday, was most interesting and profitable good programme was provided and freshments were served. An offering of over \$30 was made. Appropriate Easter services were held in the different churches on Sunday. In Anglican church, the anthem "Alluhas been organized out of our politics and that education is fast dying by

uia, Alleluia," by Vincent being cspecially good. In the Methodist hurch a fine song service was rendered Easter morning, printed programmes, of which were distributed among the congregation. Two funeral services took place here on Good Friday, one, that of Thomas Weston, conducted at his late residence by Rev. S. J. Hughes; the other, the funeral of Thomas Moles, conducted by Rev. Mr. Claxton, in the Holiness Movement church. Dr. Edward Moles, Norwich, and Hill Moles, Montreal, were home for the funeral, and remained for a few days with their "civics" placed in the hands of pu- mother. Most of our teachers are spending their holidays with friends. Miss Patterson, of the high school staff, is in Toronto; Miss West, of the public school, in Montreal; Miss Stinson and Miss Robinson have gone to

Was The Boy Cured. An elderly gentleman was rising on began to laugh, and laughed so couldn't stop. The old gentleman tole spanking, and she replied that didn't believe in 'spanking pty stomach; whereupon the man said "Neither do I; turn him over.

Blocking The Sidewalk. Complaints about blocking the side walks by allowing large packing cases to stand in front of stores on Prin cess street are being heard in all directions. The merchants are not alto ether to blame, as in many cases the carters won't handle the cases and dump them off in front of their desti-

### REV. C. W. CASSON, OTTAWA

Self-Sufficiency The consciousness of saving power within ourselves is the great secret of joy. How glorious it is to be selfperfect safety. As the lighthouse, standing on the wave-swept reef, or the oak, standing on the wind-swept hill, so you may stand, strong, selfufficient, safe. Realizing your herent force, you may say with Hugo: "Be like 'the bird, that, pausing in

its flight, A while on bough too light, Feels it give way beneath it, and vet sings,

Knowing that it hath wings. Address Mr. Casson for free litera-

Height

¶ You could not make a coat made for the short man, in Type E, look well on the latter man, in Type F. There may be a difference of six inches in his height, and there should be difference of several inches in the length of the coat. The waist of the short coat would set up near the shoulders

of the tall man. I The Semi-ready Physique Type System, with its seven distinct types, its 35 variations, and 15 sizes of each variation-takes into account height and weight, and also the width and the shape of every man:

A periect fit and a finished-to-measure garment at \$18 to \$20 and \$25. Better tailored than any custom tailor can possibly do it in his back shop.

Semi-ready Tailloring'
