New York state. Hundreds of anglers of the month to catch the little beauties, the sport this week having been good. But as many of the streams Heart Strength

Heart Strength, or Heart Weakness, means Nerve ttively, not one weak heart in a hundred is, in itself, actually diseased. It is almost always a hidden tiny little nerve that really is all at fault. strength. Without that the Heart must continue to fail, and the stomach and kidneys also have these same controlling nerves.

This clearly explains why, as a medicine, Dr Shoop's Restorative has in the past done so much for weak and siling Hearts. Dr. Shoop-first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative this popular prescription-is alone directed to these weak and wasting nerve centers. It builds: it strengthens; it offers real, genuine heart help. If you would have strong Hearts, strong digestion, strengthen these nerves - re-establish them as needed, with
