Heart Strength, or Heart Weakness, means Nerve Strength, or Nerve Weakness-nothing more. Positively, not one weak heart in a hundred is, in itself, actually diseased. It is almost always a o fail, and the stomach and kidneys also have lese same controlling nerves. This clearly explains why, as a medicine, Dr. hoop's Restorative has in the past done so much

for weak and ailing Hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative this opular prescription-is alone directed to these weak and wasting nerve centers. It builds; it strengthens; it offers real, genuine heart help.
