London, April 17 .- A strange disthe present, no owner can be found was reported to the Wandsworth Bor-

ough council last night, The surveyor, Mr. Marten, stated found by employees of the council in a gully in Clapham Park road on Saturday last. Twelve pounds were other nine pounds being discovered

The men who made the strange discovery refused to surrender the money at first, but were at length prevailed on to do so. The matter was reported to the police, but despite this fact, nobody has yet claimed the money. Alderman Lorden suggested that "the least said the soonest mended," and the subject was dropped.

At Brockville, on Monday, William McEwan, a well-known farmer residing in Augusta township, passed away ai-ter a long illness, in his sixty-seventh year. Besides his wife a family of eight daughters and two sons are left to mourn, namely Mrs. Thomas Jeroy, Rockport; Mrs. (Dr.) Cant, White Plains, N.Y.; Mrs. John Dobbins, Misses Mary A, and Beatrice, of New York city; Misses Ena, of Ottawa, and Gladys and Bessie, at home; Edward, of Saskatchewan, and Gordon, of Boston, Mass.

Ex-Chief of Police Samuel Adams, Brockville, has left for Winnipeg, where he has secured a position which, if to his liking, will result in his permanently locating there.
