RIGHT THIS WAY EVERYBODY FOR THE BEST SHOES

Unhappy feet come into this store all the day long. Some had their shoes fitted carelessly-some were fitted without sense. A busy man ought surely not be compelled to be thinking of his feet. But how is he going to help it while that little toe is yelling "Murder?" You see the necessity of being fitted by

A Shoe Man Who Really Knows How

Of course you know that there is a great difference in material and the way shoes are put together. Feet that are not absolutely tough should not be expected to feel com-

fortable in shoes that were not made for sensitive feet. You can get what you need and want here-Shoes that will give complete ease, and made in the correct style.
