URIC ACID GRAVEL

Has undergone alterations and IS CAUSED BY THE KIDNEYS BEING UNABLE TO CARRY THE
POISONOUS WASTE MATTERS
OUT OF THE BLOOD.

The urine of persons suffering from uric acid or gravel is generally scanty and after it has stood a while, a reddish sediment like brick dust forms in it. In advanced stages the une acid sometimes appears as fine sand, or large crystals. Those who pass gravel in any considerable [quantity are usually troubled with inflammation of the kidneys, bladder and urinary organs, sour stomach, indigestion, heartburn, gout and rheumation.

Co. for free doctor's advice or consula-tion. A descriptive medical booklet will also be sent to any one writing for it.

Cured By Warner's Safe Cure "I have used Safe Cure for caused by uric acid polson in my system and I have been perfectly cured. It has done for me what I have never known any other medicine to do. It cures people in the South who suffer much from majaria, which always affects the kidneys. If all the doctors would prescribe Safe Cure instead of quinibe for cases of malaria there would be less had after effects, us aquinine does not remove the disease serms from the system
