TORTURING RHEUMATISM.

Dr. Williams' Pink Pills.

Horace Plante, of Sorel, Que., of a upon them. boots were filled with pebbles. The pains, starting in my feet, spread to all parts of the body; my back and joints became affected. For upwards joints became affected. For upwards of five years I suffered the greatest agony. Often I was confined to bed, hardly able to move. Nothing seemed to help me. I despaired of ever being well again. By good chance Dr. Williams' Pink Pills were brought to my attention, and I decided to try them. I got six boxes—before they were gone I felt a great improvement. I continued the treatment and my health gradually came back till now I do From winter he goes on a rampage of wickedness. Summer Goods tinued the treatment and my health gradually came back till now I do not feel the least pain—I am totally cured. It was a surprise to my friends to see me on the street again well and strong after five years of torture. In one season, it is stated, 2,500 pounds of powder were used on a pounds of powder were used on a single plantation to kill the birds. They wanted to know what brought single plantation to kill the birds. about the change.
