Those, who are tired of the yearly expense of re-plastering, re-painting and re-papering, should make a change to metal ceilings and walls. They may be put on over the old plaster, without dirt or muss, and in much less time than plastering would require. They

Zam-Buk Cures Case Which For Two Years Defied Every Remedy. No case of eczema, skin disease, or ulceration, should be despaired of until Zam-Buk has been applied. The case of Francis Penoit, of St. Anne's (Man.), is a powerful illustration Zam-Buk's efficacy. He says: " suffered from eczema for two years, and tried a great number of remedies. None of them, however, seemed to do me any good. The ailment was mostly in my legs, and both these were actually raw from the knees down. A small sample box of Zam-Buk was given to me, and even so small quantity as that did me a little good, I then obtained a proper supply, and by the time I had used a few boxes

was completely cured." Zam-Buk differs from ordinary salves and emorocations in contain ing no animal oil or fat. It is compounded from rich, healing, herbal essences, and is an ideal natural combination of power and purity. It is highly antiseptic, and instantly kills bacilli and disease germs, which setset up festering, blood poison, For cuts, burns, bruises, ulcers, abscesses, pimples, boils, skin tions, scalp sores, spreading sores, children's skin troubles, chafing sores, etc., Zam-Buk is unequalled.
