Miss Margaret Merkley of 275 3d Street Milwankee, Wis., writes: she Dear Mrs. Pinkham :-

"Loss of strength, extreme nervousness, severe shooting pains through the pelvis organs, cramps, bearing-down pains, and an irritable disposition compelled me to see medical advice. The doctor, after making an examination, said that I had a serious female trouble and ulceration, and advised h an operation as my only hope. To this I strongly objected—and I decided as a last resort to try Lydia E. Pinkham's Vegetable

Compound.

To my surprise the ulceration healed, all the bad symptoms disappeared, and I am once more strong, vigorous and well; and I cannot express my thanks for what t has done for me." Serious feminine troubles are steadily on the increase among women-and before

submitting to an operation every woman should try Lydia E. Pinkham's Vegetable Compound, and write Mrs. Pinkham, at Lynn, Mass., for advice. For thirty years Lydia E. Pinkham's Vegetable Compound has been curing

the worst forms of female complaints, all functional troubles, inflammation, ulceration, falling and displacement, weakness, I irregularities, indigestion and nervous prostration. Any woman who could read the many grateful letters on file in for Mrs. Pinkham's office would be conit as vinced of the efficiency of her advice and Ve Lydia E. Pinkham's Vegetable Com-
