#### Build a Metal Home

In every way m tal is surerio to wood or plaster for the intener of nomes. Classified Metal Culings and Walls, designed and manufactured by he Metal Shingle & Sidi Co. Limited. of Preston, Ont., ar- to be preferred ver all others for their beautiful and narmonious finish. They are made in a great variety of designs to suit all bastes, and are classified according to the prevailing styles of architecture. Metal ceilings and walls are fire-proof and vermin-proof, are sanitary and easily cleaned. They may be beautifully decorated at small cost. Inose, who are tired of the yearly expense of re-plastering, re-painting and re-papering, should make a change to metal ceilings and walls. They may be put on over the old plaster, without dirt or muss, and in much less time than plastering would require. They last a lifetime, and never need repairs.

so that the first cost is the only cost Life insurance companies recognize the security which metal ceilings and walls afford, by making their rates one-third less on homes constructed of this material.

Illustrated catalogues and complete information as he cost may be obtained by writing the Metal Shingle & Siding Co., Limited, Preston, Out.
