DONALD STATUE

In the City Park The Victoria School Children Celebrate Empire Day at the Great States-

school, in charge of the members of the teaching staff, gathered at Sir John A. Macdonald's monument, in the city park to celebrate Empire day. The scholars marched from the school down Union street, along in West street to the spot which com-memorates the departed father of con-federation. They presented a very pretty and patriotic sight, indeed, The proceedings opened with the singing of national songs, after which four little school children, two boys and two girls, stepped forward and in behalf of their fellow scholars placed

each a wreath at the foot of the empire and of our country and point-The Big Dipper mine, situated a few longed to those present and that its future be longed to those present and that the perpetuation of its greatness lay in their hands. GOVERNMENT PLANS

The government plans for the reno-vation of the large stone building be-tween Clarence and Market streets for government offices are in the hands of William Newlands, architect, of this city. The proposal is to build one storey at rear of building, there being in comparison with three years Port Hope, arrived, to-day, to spend enough yard space on Clarence street ag, or prior to the institution the holiday with relatives. Miss Violet Walker, Pine street, left would be for the examining warehouse. The ordination of Rev. H. T. Wal- be started shortly. It seems also to

duty, have been endeavoring to discover how the Watkins and Macaulay parochial trusts were invested, but claimed that St. George's vestry had alone responded; St. Paul's, St. James', and St. John's, Portsmouth, officials had not reported. The comcipal Ellis reported as to the conditions they found existing in Toronto and Hamilton, with reference to
