was a boy named Johnwe think his last name was Wannamaker, anyhow his name was John with some sort of a maker attached to his last name. He owned 500 yards of calico, three pairs of jeans, a half dozen pairs of boots. He called this a dry goods store through a Philadelphia newspaper and offered to sell a pair of socks for thirty-seven cents. The don't-believe-in-advertising merchants laughed. Young John spenty sixty-five dolfars with the Philadelphia Ledger to advertise just one time and had less than \$100 worth of goods. He was cautioned by the merchants who "knew it didn't pay !" It was through sympathy that they offered him advice. But John didn't listen to them, and went and blew his money in foolishly; and to-day poor John sees the result of his misdoings
