HEART TROUBLE"

"I Suffered With for Years-Pe-ru-na Cured Me Entirely."

Miss Albina Chauvin, No. 50 Rue Agnes, St. Henri, Montreal, Can., writes: "I consider Peruna better than any other remedy, as it cured me when nothing else could. I suffered for years and years with heart trouble, headache and weakness. I never expected to find anything to cure me. I saw one day, in "La Presse," that Peruna was excellent and I tried it. One bottle produced a change in me and if the price had been \$100 a bottle I would have paid it gladly. I have taken six bottles and am entirely cured. Please accept my thanks and best wishes for your Peruna."

by reflex disturbances.

Derangements of the stomach and liver produce symptoms of heart trouble. Catarrh of the stomach is a very frequent cause of sympathetic heart dis-

DROWNED ON HOLIDAY.

He Perished as Friend Had Him

St. John, N.B., May 25.-George Bolton, aged twenty-one, was drowned in Lake Lattimer, after a gallant attempt at rescue by his companioni Edward J. Hipwell. They were fishing, and their boat unused all winter, filled and sank fifty yards from shore. Bolton was a poor swimmer, Hopwell though weighted with a heavy provision basket and clothing, had Bolton place his hands on his shoulders, thin started to swim ashore. Ten ards from the land Bolton gave and went down. This so unnerved Hipwell, that he, too, sank, but managed to grasp a stick reached out to him from shore and was pulled from the water.Both were dry goods clerks and dese companions.

Bornholm Island.

The recent great discoveries in connection with the North magnetic pole have called attention to the fact that the entire carth is one huge electromagnet. This is very pronounced in certain spots; the island of Bornholm, in the Baltic sea, acts as a huge mag net of the most enormous power. It is said by reputable navagators to exert such marvelous power as to be able to cause a vessel to turn perceptibly aside from its true course. The effect of this terrible natural magnet can be felt for a distance of ten miles. When in this vicinity the pilots allow for the magnetic disturbance caused by en to Marysville for interment. the island and the consequently able to steer correctly.
