### REQUIRED TO REGISTER. With the United States Consul Once a Year.

Grand Opera House to-night. Performance begins at 8:15 o'clock. Hereafter, all United States citizens in the Kingston consulate district must register once a year with Consul Van Sant, else they will lose citizenship in their native land. This new rec property in Kingston for forty-four years, Mrs. Allen, of Gananoque, who law will go into effect on July 1st next. Consul Van Sant has received instructions from Secretary of State 144,000,000 last year, and would mean is eighty-eight years of age, never Root in regard to the matter. The that Germany might have to import the unusually large amount of 112,000,000 by-law, until Tuesday last, when she authorities at Washington are taking this means of finding out how many this means of finding out how many true sons of Uncle Sam are living in Canada, without taking the oath to the British crown. In the Kingston consulate district covering from Napanee to Brockville, there are about 1,400 United Statesers. If Canada was to put in operation a similar registration in the United States, it would show that several million Canadians are in that country.

There are fourteen interurban electric lines centering at ladianapolis, Ind. These operate 400 cars daily, and during the year 1906 they transported 5.-000,000 persons into and out of the city. These lines connect with St. Louis Cincinnati. Dayton, Toledo, Detroit. Clevelland and Erie, and at an early date Pittsburg will be included in the list.

The railway statistics blue book for the year ended Jume 30th, 1906, shows that there were 21,353 miles of railway in Canada, compared with 20,487 the preceding year. There were 27,989,782 passengers carried, compared with 25,-288,723 the previous year. Earnings
