THE SCARCITY OF LABOUR. Quality: the highest; styles:
the latest; prices—well, they
sustain our reputation of selling
the highest quality goods at the
lowest prices in town?

The Weekly Sun, in seeking to understand why there is such a shortage of labour in the country, hits it
fairly when it sums up the case thus:
Higher wages in the towns and cities, and sciences, the love for the crowd dom, outside of certain work hours, for occupations that are enjoyable by are keeping on drinking."

The wage question is the principal age of the soil, offers the most indenot, we opine, sufficiently appreci

ted. Farm life is healthy, and in a cent years it has been very profitable tisfying to the one who desires peace and plenty and contentment.

The dearth of labour for the being in Ontario has been caused by he removal of so many young men to the North-West, where they have been natura's remedy for all discuss of the able to acquire large tracts of land stomsol, bowels and blood. It acts on the cheaply and with the promise of lar-

A POLICY OF ABUSE The political meeting which was dicted to strong drink. It took time held in Toronto, and which was addressed by Mr. Foster and Mr. Bennett, was followed by impressions which are not favourably commented on. While admitting that there may be something in the air at Ottawa to occasion comment the Toronto News and is to day in good beath. My wile and is to day in good beath. My wile and is to day in good beath. My wile and is to day in good beath. My wile and the conservative party will go far on mere abuse. It held in Toronto, and which was ad- to shock the people, through the adds: "What is the policy of the only by those who are awaiting trial conservative leaders? What is their for felonies or removal to other remedy for the abuses which they de- stitutions. Sometimes comment nounce? If the present patronage me- passed on the fact that there are now.

> The hand book of the party, lately sued, and in anticipation of an early election, shows that its whole stockin-trade is scandal. It has no vanced ideas on anything, no great the public attention and public sup port. Its whole aim is to show that the liberals have made mistakes in their administration of public affairs, and that they are not worthy of public confidence, and the pair who un- them? dertook to divert Toronto had noth-

THE DISCOVERER

Of Lydia E. Pinkham's Vegetable Compound, the Great Woman's Remedy for Woman's Ills.

No other female medicine in the world has received such widespread and No other medicine has such a record of cures of female troubles or such

Lydia E. Pinkham's Vegetable Compound.

It will entirely cure the worst forms of Female Complaints, Inflammation and Ulceration. Falling and Displacement, and consequent Spinal Weakness, and is peculiarly adapted to the Change of Life.

It has cured more cases of Backache and Local Weaknesses, than any other remedy the world has ever known. It is almost infallible in such cases. It dissolves and expels tumors in an early stage of development.

Irregular, Suppressed or Painful Periods, Weakness of the Stomach, Indigestion, Bloating, Nervous Prostration, Headache, General Debility quickly yield to it. Deranged organs causing pain, weight and backache, instantly relieved and permanently cured by its use. Under all circumstances it invigorates the female

It quickly removes that bearing-down feeling, extreme lassitude, "don't-care" and "want-to-be-left-alone" feeling, excitability, irritability, nervousness, dizziness, faintness, sleeplessness, flatulancy, melancholy or the "blues" and headache. These are sure indications of Female Weakness, or some derangement of the organs which this medicine surely cures. Chronic Kidney Complaints and Backache, of either sex, the Vegetable Compound cures.

Those women who refuse to accept anything else are rewarded a hundred thousand times, for they get what they want—a cure. Sold by Druggists everywhere Refuse all substitutes.
