dividends and bond interest next month.

June is a light dividend month and not to be compared with July, when the dydends and bond interest this year will run close to \$8,000,000. James Patten, the famous Chicago operator, who has cleaned up \$1,500,000 on the advance in wheat, was a resident of Montreal about twenty-five years ago. Mr. Patten while living there was che representative of the widely known house of Comstock & Go. Mr. Patten is often called the "King of Coarse Grains" by the newspapers, and on the recent wheat boom he has been quoted more than any other man in Chicago.
