If Children Are Not in Places of While the following from The De-

troit News Tribune was written for a United States community it is not without application in Canada. "The reason why children are not seen in Protestant churches on Sunday morning is simply because they 'don't want to go.' And modern, twentieth cen-In fact, very few parents now 'com-pel' their children to do anything. In the question of church going they Nothing could be more nonsensice than such an assumption. It is based which is an all-sufficient guide, and if follows will lead its owner into all truth, without authoritative training of any kind. God's revealed will is th standard of right and not the human preter, by His Spirit. 'If any man will trine.' But, the parent is in the place of God to the young child. Parental authority precedes any sense of divine authority. A recent writer says: pose that a parent of forty should permit a child of four years to choose its own moral course. It is only less absurd that a child of ten or twelve

The Western Invasion. Review of Reviews.

the American set-Western Canada as the land of portunities is a frequent subject discussion in the press. Writers for United States publications with weakness for picturesque effects have represented the "American invasion" tion. The current of United States immigration has been a potent factor in the west's development, but it has been encouraged, directed, and utilized by Canadian governmental and rail way agents for great plans. It has given Canada over a quarter of a million of settlers with the highest averout exception, have sufficient capital try where money is scarce and dear. Akin to the Canadians in race.

These settlers have also brought tural methods. Large districts which had been tabooed by settlers have become prosperous and populous because the American showed himself competent to raise large harvests up on land erroneously regarded as semiarid. The greatest business accomfive years ago of hundreds of thousbelt offered by the government met with no takers.
