The Tidings From Various Points in Eastern Ontario — What People Are Doing And What They Are Saying.

To Erect New Buildings.
Lavant Station, June 4.—Miss Nettie Watt left last Tuesday to visit friends in Perth and Lanark. D. Crawford visited his parents at Flower Station, on Sunday. Miss A. Paul, Lavant Settlement, spent a few days with her sister, Mrs. E. J. McFarlane, last week. William Lee intends leaving on Thursday for a trip to the west. W. Sculland, Brightside, is engaged to erect some new buildings for T. Lee.

Sunbury Items.
Sunbury, June 4.—W. Hogle is making improvements by fencing. Farmers are sowing ensilage corn this week, as the weather has now become favorable for a quick growth. The local cheese factories are receiving a fair supply of milk, considering the pasturage, which is not up to the standard. A quiet wedding has been arranged to take place this month. Those who have been on the sick list have recovered. Some private picnics have been held lately. The outlook for a good crop of hay is not very encouraging. Many old meadows have been damaged by frost this spring.

SKIN DISEASES
Salt Rheum, Pimples, Erysipelas, Ringworm, Shingles, Scald Head, Itching Sores.

All diseases of the skin are more or less directly caused by a bad state of the blood, which produces acid humors and corrupts the secretions.

No one can expect to have a clear, bright skin when the blood is in a disordered condition, and the stomach, liver and bowels acting feebly in consequence.

All the above skin diseases, in fact, any disease arising from a bad condition of the blood, are curable by

BURDOCK BLOOD BITTERS
through its wonderful cleansing, purifying powers on the blood, and its renovating action on the system.

Mr. A. Squire, Dominion, N.S., tells how he was cured of Salt Rheum. He writes: "For years I suffered with Salt Rheum, and was unable to find a curable remedy out of all the medicines I took, and Physicians consulted. Finally I was urged by a friend to try Burdock Blood Bitters, and after a very short space of time I was completely cured. I shall always recommend B.B.B. for such cases, as I consider it an indispensable remedy."

MONTREAL CONFERENCE.
The Many Matters Before the Gathering.
Gananoque, June 4.—The Montreal Methodist conference, by a large vote, decided to continue a forward movement among the French missions. The committee disapproved the selection of an assistant to Rev. Dr. Briggs by that gentleman, that duty being a general conference appointment. The pastoral address, prepared by Rev. W. S. Jamieson, M.A., was read and was most excellent in every respect. It was decided to give \$100 from the billowing fund to help reduce the deficit of \$750 in the contingent fund. The district chairmen were appointed a committee to consider missionary extension. The conference concurred in resolution recommending that every effort be put forth by this conference to aid in the maintenance and upbuilding of Stanstead College. A supplementary course of Bible study for ministers and laymen was strongly approved. The committee on state of the work gave an excellent report of progress throughout the conference.

Addition To Club House.
Chaffee's Locks, June 4.—The farmers of this vicinity have finished their seeding and planting. The new addition to the Opinion Clubhouse is being erected. Master Vincent Hogan is visiting at Gananoque. Mrs. Lennox, Kingston, and Mrs. W. Kelly, New York, are the guests of N. H. Howard. Mrs. Young, Kingston, is visiting her daughter, Mrs. W. S. Jamieson. W. H. Fleming has purchased a new ramhound. Mrs. Jencks, Smith's Falls, is spending a few days at Mrs. J. W. Simmons'. Mr. and Mrs. Horace Carr, after spending a week with J. Murphy have returned to their home, Battle Creek, Mich.

A School Library.
Wagarville, June 4.—Farmers around here are abuzz through with their spring's work. The quantity of milk taken in the factory is rather small on account of the poor pastures. Frederick Kirkham has his house nearly completed. S. Jackson paid a business trip to Kingston on Friday last. E. Vanclokenburg's saw mill has been closed for some time owing to scarcity of men. T. McAuley is going to Kingston. A new library is being put in the school for the benefit of the scholars and all who are interested in it. Visitors: Mr. and Mrs. Irine Crank at Mr. and Mrs. Wagner. Ed Lake, at William Wagar's; Miss Edith and Byron Crank spent a couple of days at Enterprise last week. Mr. and Mrs. G. Howes spent Sunday at Partholme. The telephone poles have been stood and are ready for the wires. A few are having the phone in their house which will be a benefit to surrounding places. Mrs. William Rutan is improving.

Ida Hill Notes.
Ida Hill, June 3.—William Webb attended Friday's quarterly meeting at Wellington the past week and returned home to-day. Makin Bros. and William Shannon have erected fine road fences. K. Kells is making improvements in connection with his residence. Contractor Stinson is doing the work. R. Cuddy has leased his stone quarry to a city man, who has a number of men now employed there. B. Kells and William Richards are erecting street fences this week. With J. Chapman as foreman. Mrs. Thomas Shannon is quite unwell, being under a physician's care. J. Jackson's mill still runs, and with much yet to do. Statute labor will be performed as usual upon the village streets. The gravel obtained here is the best in the country for roads. Farmers are planting and sowing ensilage corn this week. A few of the dairy men still provide for their cattle by grain feed. E. W. Makin, who has been quite indisposed of late, is somewhat better this week.

News From Sydenham.
Sydenham, June 3.—Mrs. Alice Stinson has moved to her new home, on Queen street, Kingston. Charles Torvill, had a large band of children. Mrs. Elmer McKroy has his barn set up, ready for a stone basement to be built. Mrs. Charles Shields, Verona, is with her daughter, Mrs. W. Carswell. Miss Mary Gomer spent a few days last week with her brother in Deseronto. Mrs. Lytle, St. John, Oregon, is with her sister, Mrs. Tovell. She will spend a few months with relatives before her return. Miss M. Townsend leaves in a few days for Clifton Springs, N.Y., to enter the seminary as nurse-in-training. Rev. Victor Purdy, Presbyterian minister, is spending his holidays with friends here. He took charge of the evening service in the Methodist church on Sunday, preaching a very eloquent sermon to a large congregation. Rev. Elwood Lawson, attending conference at Gananoque, spent Sunday with his parents here. Mr. and Mrs. Tolls, of Elginburg, spent Sunday at E. Day's. The re-opening services of Wesley hall will take place on June 16th and 17th. Rev. Dr. Benson is expected to be present at all of the services.

Burrige Tidings.
Burrige, June 4.—The farmers here nearly all completed their spring's work. We are pleased to state that F. Madden is able to be around again. Mrs. Madden is also recovering after a severe illness. A very enjoyable evening was spent at the home of Mrs. Swerbrick on Tuesday night. The time was spent in dancing and games until daybreak, when all returned home well pleased with their night's pleasure. J. Shellington has put a new floor in his store. Mrs. J. Batorou and family have moved to Bathurst, where they have purchased a farm. A number from here attended the celebration in Kingston on

MAKE IT YOURSELF.
Simple Formulae For a Good Blood Medicine.
To rid your system of blood disorders of all kinds, when the kidneys have failed to excrete the uric acid and other waste matter, when rheumatism, kidney or bladder trouble is prevalent, the following home-made remedy is said to be invaluable:
Fluid extract cascara, three drachms.
Fluid extract casarea aromatic, one drachm.
Compound sabel, one ounce.
Syrup Sarsaparilla Compound, three and one-half ounces.
Take a teaspoonful after each meal and before retiring.
A well-known authority writes that the worst forms of rheumatism, blood disorders, kidney and bladder weakness are often readily relieved by taking for a time this simple home-made remedy.
When taken regularly, there is no other known remedy that acts so thoroughly and promptly, enriches the blood and cleanses it of all impurities.
Sarsaparilla itself is good, but when taken in combination with the Sabel compound and the other ingredients, the results are marvelous. This combination sets the kidneys to work, filtering out the waste matter, uric acid and other impurities. Makes new, rich blood, relieves rheumatism, lame back, kidney and bladder disorders.

JINGOES IN MINORITY.
Says Germany Wants Army to Meet England.
Berlin, June 4.—A leading article in Die Post, which is evidently inspired, draws attention to recent articles in a section of the London press, calculated to sow dissension between Germany and England by statements to the effect that in Germany war between the two countries is regarded as inevitable.
The Post, which is by no means friendly to England, emphatically states that in Germany no responsible politician holds this view. On the contrary, in Germany, as in England, responsible men know no higher object than the maintenance of peace, and regard existing armaments as serving this purpose.
Between the two countries, it says, there does not exist any question of friction which could lead necessarily to war. Not only is this the opinion of statesmen but of the vast majority of the people of both nations. It is only a dwindling minority on both sides which thinks otherwise, a minority which has no influence on international politics. It is a direct perversion of the truth not to recognize this and to give as the public opinion of Germany the views which fill the heads of fools or criminals. The Post stigmatizes this method of controversy as perfidious, as a warfare against which the sharpest measures are necessary.

The Boards Negligent.
Reports often come from county school sections regarding the closing of schools because a teacher has resigned and a new one has not been secured. It seems that in most cases the fault lies with the township school boards which are negligent in their duty. They never think of looking out for a new teacher until the old one is about to go or has gone. Then comes the trouble. If they would take action as soon as a teacher sends in her resignation, there would be no necessity to close the schools. Township school boards might take note of this. Of course it applies to only some.
