A Boys Branch in Victoria B.C .-A Woman's Good Work-Fair Linea Provided For Numerous Parishes.

dral opened Thursday's work with the auxiliary people meeting here. The secretary of literature gave her report, showing that much greater inerest is being taken in the circulating library, and there is far greater diffusion of missionary intelligence in

The most striking item nouncement of the formation of a Sunday with friends in Napance. with a large carriage, picks up the bit and Miss Minnie Nesbit spent missionary branch, drives them to the Kingston. rectory, where they learn about misand work for them, and then

The Leaflet editor's report which shows an increase of fifty-nine for the year, was followed by a conference. Delegates, led by Mrs. Edgers, of Frankville, a new branch, agreed to the motion to have the Leaflet year end in November of each year. To some branches there will be a slight loss, but Mrs. Dargavel, Elgin, Mrs. Wilson, Napanee, and others generously said they would bear this for the greater benefit of the cause. This is a cause of much gratitude.

The organizing secretary's report as all Mrs. Loucks' writings are. Mrs. C. C. Abbott, as convenor of the church furnishings committee, re ported ten sets of fair linen prepared or the diocese, two sets marked for outside diocese, surplices made for the North-West, and for diocesan clergy, new development and widening of the work. The money received from these goes to a reserve fund, and a balance of \$15 is now on hand. There was an urgent appeal made for auxtheir skilled workers to give of their best to the house of the Lord.

On this matter the Dorcas secretary. touched in her report, warmly congratulating St. Peter's, Brockville, on their gift of two sets of holy vessels, in oak cases, to the North-West. Workers little realize the encouragement gifts for the reverent offering of the body sacrifice are to faithful priests-

There was a warm discussion on the disposal of the thank offering of April 17th, and the majority felt it should go to North-West needs, rather than to the foreign field. So \$80 has gone to the erection of a church hall at Prince Rupert, the G.T.R. terminus, where Bishop Duvernet is working. The hospital committee, with its eight members; has done good work in visiting sister workers ill in general
