THE VANZANT DISMISSAL Are Active Mind For Man of Ad- It Was a Miserable Killing Says

Zant as the menns by which it was accomplished. For many months gos-ipers and maligners were at his heels. All his words and actions were misrepresented. He was the victim of bitter and malicious criticism outside, and of organized disaffection inside the jail. Spies dogged his footsteps. ander was busy with his name and reputation. It was determined to ac-eomplish his removal, and it is only singular that it should have been neessary to reveal so much meanness and nastiness in the pursuit of one defenceless public official! It would have been far better and far manlier to have cut off his head at once, and have saved the community from all the slander and backbiting to which Mr. Van Zant was subjected, and the partizan investigation on the strength of which he was finally removed. It Count Lee Tolstoi.

Count Lee Tolstoi, the famous Rushad special qualifications for the office of jailer, and it is certain that Polyana, Russia, on August 28th, under any proper civil service system 1828. In 1843 he studied at the University of Kazan, where he made a It is just as certain that if he had it was accomplished, when they think
