Guns Used in One Fight—Police Who Opposed Driving of Cattle Off a Farm Defeated After Sharp Battle.

Dublin, June 12.—The grazing war is spreading rapidly and becoming popular. The most serious affair thus far was near Athlery, Galway, at midnight yesterday. A large posse of police opposed a crowd of persons who were driving cattle off a farm. The people stoned the officers. Several of the latter were badly hurt and the sergeant in command ordered the posse to fire. The latter fired repeated volleys at the crowd and the raiders returned the fire, finally compelling the officers to retreat, when the graziers finished their raid.

Women do not come from all parts of the town and from surrounding towns merely to save a dollar. They desire to see the very latest and prettiest of designs.
