Expresses Country's Sentiments.

REPRESENTATIVE IN

STITUTIONS SECOND. Plan Suggested By Premier

Defensive. London, June 25.-In his speech in House of Commons, yesterday morning, on his resolution curtailing the power of the House of Lords,

Premier Campbell-Bannerman said the government held the view that the House of Commons, alone, was authorized to express the country's sentiments, and declared that the only course open was to recognize ungrudg ingly the constitutional authority which resided in the House of Com mons, Amid loud ministerial cheers, the premier protested that if this au thority was usurped by a non-elected. house, it followed that representative The government proposed that provision should be made for conferences the House of Lords, where differences arose over a bill. If no agreement was reached the bill should be re-introduced, and sent to the House of Lords, with a declaration that should a sec

Continuing the premier said the preent government believed that the reparliament to five years would effectively prevent "an effete government which had lost the country's confidence from forcing through unpopular

ond conference fail to result in an

agreement, the House of Commons

A. J. Balfour opposed the resolution and defended the House of Lords. He admitted that the House of Com mons was the constitutional predom ant party, but declared that even i they abolished the House of Lords the country would insist upon a sul
