> Premier's Resolutions To Curtail Lords.

WAS NOT APPROVED BY THE COMMONERS. The Unionists Did Not Take Sides

the House of Lords-Replying Criticisms of Haldane's Army Scheme. London, June 27 .- The three days'

debate in House of Commons ended Provinces Likely to Work at midnight, when Premier Campbell-Bannerman's resolution in favor of curtailing the power of the House of Ontario has completed a reciprocal Lords, in vetoing bills passed in the succession duty agreement with New House of Commons, was carried by Brunswick, and it is understood to be 432 to 147, amid loud ministerial the aim of Hon. Col. Matheson, the

total abolition of the House of Lords and inter-provincial understanding of was previously rejected by 315 to 100, collections from estates, the minority being composed of labortes, nationalists and a few radicals. this division, the unionists, as a oody, abstained from voting. The premier on leaving the house

received a great ovation. In the House of Lords, yesterday Lord Elgin, replying to criticisms of Mr. Haldhne's army scheme, said it was untrue that elementary matters such as the Canadian frontier had not been faced, for the views of Canada and other colonies had been place ed before the imperial conference. The principle underlying Mr. Haldane's statement on that occasion, as in thi bill, was local autonomy under the ruidance of a general staff, recruited from the forces of the empire as
