The History of a Fool Can Never Be Written, Because it Never

History Knows Nought But Truth. The immortal poet who asked this important and meaningful question was one of the keenest dissectors of human nature. One of the most striking illustrations of this truth came to light a few days ago, when a man Montreal Lad Who Ran Away lying on his dying had with consumpcured both of them, an hereditary preas Psychine," is in his cold, cold sister, both of whom were pronounced. as hopeless consumptives by the best physicians, through taking Psychine are as healthy specimens of humanity as can be found. The brother who had been cured said to the writer, beside the grave of his brother, "What fools we mortals be," referring to his brother's following the advice of an

unwise medical adviser. "I herewith send my photo and tesing your glasses at Chown's drug timonial for Psychine. I was given up sixteen years ago as an incurable con-
