Ottawa, on and after the 3rd

By order, L. K. JONES,

Secretary.

James Fegan of Rochdale has the England who was ever measured for his coffin and reguarly "laid out" for burial who lives to tell the tale and laugh at the undertaker. His grave had been dug, and for hours he lay with only a sheet covering him, and all the time conscious that he was going to be buried alive. His struggles to escape the horror are

best told in his own words. "It was like an eternity," he says, "an eternity of unspeakable mental Department of Railways & Canals agony. I knew that I was alive the greater part of the time and made terrible inward struggles to manifest NOTICE TO DEALERS IN CEMENT. some outward sign of life.

SEALED TENDERS, endorsed "Tender for Cement," will be received by the "It was a wonder I did not kill undersigned at 16 o'clock, on Monday, myself in these attempts to escape the the 15th July, 1907, for the supply of 10,000 barrels of Portland Cement, for the use of the Quebec Canals. Specifications and forms of tender can

"May no human being - not the have—pass through such tortures. No. 2 Place d'Armes Square, Montreal, and at the office of the Chief Engineer of the Department of Railways and "When the undertaker came thought I should have gone mad. Fancy a man supposed to be dead thinking all these things. How awful it seemed that I should be unable so much as to open my eyes or even wink, while I could plainly feel the undertaker measuring me. I hoped for something to happen that might so startle me as to produce a sign of

Newspapers inserting this advertise-ment without authority from the Depart-ment will not be paid for it. "I had even time to think-and isn't this strange?-how scared my friends would be if they saw me move. But I wanted to move all the same. If any one fainted, well, that was not so serious after all as being buried

"If the undertaker had not measured me a second time I suppose I might have given up the ghost. He told me afterwards that he always measured bodies twice-not in order to make sure whether they were dead, but only to be correct in his measurements to make them comfortable. Despair and Joy.

"Though I was hoping that when the time came to screw me in the coffin I should wake up with fright. still, as that would be my last chance, I was only too glad of something to excite me before then.

"Imagine my despair when thought the undertaker had done with me, and imagine my joy, coupled with an awful dread, when I felt him lower my head from the pillow and repeat the process of measuring me. made desperate efforts to raise my self, and once actually succeeded in Beauty Doctors Endorse Herpi- making a slight movement over my stomach, but no one observed it. My despair was heartbreaking. After all my ineffectual attempts to show a sign of life, was I to succeed unobknowing what will bring about the served? Perhaps I should never be able to make another such sign.

"That was hard lines if you like and, of course, my strength could not but be failing, because, if I was not ing out; and, as a dressing, it has no dead, there is no mistake about it that I was certainly dying again, so to speak. I pulled myself together "Complexion Specialist, for a final effort, as it seemed to me my last chance. Once more I could "After using one bottle of 'Herpidistinctly feel that I had moved, cide' my hair has stopped falling out. and this time the undertaker noticed it. I heard him shout: "He's not and my scalp is entirely free from dead! He's alive! Bring cold water! Bring brandy! Bring the doctor! Look! look! look! He's moving. Look

at his eyes, they're twitching." Resurrection Whistle. in stamps for sample to The Herpicide "Then the undertaker whistled as loudly as a steam engine for those Co., Detroit, Mich. Two sizes, 50c. whistled with his fingers.) And in a few minutes I heard my own voice saying: 'I am cold, cold, so cold. Of course, I must have been as cold as death, otherwise they would not

If you take in a boat trip don't forget your box of McConkey's or Huy-"The undertaker soon had me wrapped in blankets, and they brought me ler's high class candy. No trip combrandy as quickly as was humanly possible, though it seemed to me they

could not have taken longer if they tried. I am a total abstainer, but I suppose I should be bigoted if I did not acknowledge my lifelong indebtedness to brandy as a pick me up for

In a few final reflections on his ordeal, Mr. Fegan summed up thus: Every man has to die once. That is all right; it is the law of nature. Many men have been thought dying Was Conscious He Was Going to Be and got better, but dying is one thing being taken for dead while alive

Fegan, who was suffering from pneumonia, had laid for three hours with no covering but a sheet.

A grave in Bochdale cemetery had been selected and dug, but the order

was, of course, canceled as soon as At Fegan's home at Preston his mother and a sister did not even know of his illness. They learned of it for the first time when they were told of his narrow escape from living bur-

Mr. Albert Heywood, the undertaker, gave a graphic description of his weird experience. "I have been in this business," he said, "thirty-three years, and this is the most remarkable and thrilling experience I have had. I attend a thousand funerals every year and I have never gone to a job before without carrying

Life Saved by Chance, "It was a shock to me when I saw Fegan move, but I stuck to him and elped him all I could. I really believe that taking the pillow from breathe a little better, and there is tions his command of the languages no doubt Fegan owes his life to this was remarkably satisfactory. He is

him so and invited him. the first time | eration. He has been conservative in he leaves the house, to pay me a his choice of selections, and did little visit, and then he can have the laugh to encourage native composers of high In how great a measure Mr. Fegan reproach and his songs were marked

not generally at home then. "They were lucky to catch me," first appeared in London in 1857, his he said.
