making the start.

Application for homestead entry or inspection must be made in person by the applicant
at the office of the local Agent or Sub-Agent.
An application for entry or inspection made
sersonally at any Sub-agent's office may be
vired to the local agent by the Sub-agent, at
the expense of the applicant, and if the land
pplied for is vacant on receipt of the teleram such application is to have priority and
the land will be held until the necessary paers to complete the transaction are received

e of "personation" the entry will be y cancelled and the applicant will priority of claim.

Dicant for inspection must be eligible stead entry, and only one application etion will be received from an indintil that application has been dis-

Applicants for inspection must state in what particulars the homesteader is in default, and if subsequently the statement is found to be incorrect in material particulars, the applicant will lose any prior right of re-entry should the land become vacant, or if entry has been granted it may be summarily eancelled.

(2) If the father (or mother, if the father deceased) of a homesteader resides upon a arm in the vicinity of the land entered for

siding with the father or mother.

(8) If the settler has his permanent residence upon farming land owned by him in the valuety of his homestead, the requirement may be satisfied by residence upon such land. Before making application for patent the settler must give six months' notice in writing to the Commissioner of Dominion Lands at Ottawa, of his intention to do so. SYNOPSIS OF CANADIAN NORTH-WEST MINING

Not more than 820 acres can be acquired by one individual or company. Royalty at the rate of ten cents per ton of 2,000 pounds shall be collected on the gross cuttout shall be collected on the gross output.

Quartz.—A person eighteen years of age, or over, having discovered mineral in place, may locate a claim, 1,500x1,500 feet.

The fee for recording a claim is \$5.

At least \$100 must be expended on the claim each year or pald to the mining recorder in lieu thereof. When \$500 has been expended on the lieu thereof.

ed or paid, the locator may, upon having a survey made, and upon complying with other requirements, purchase the land at \$1 per The patent provides for the payment of a royalty of \$1.5 per cent. on the sales.

Placer mining claims generally are 100 feet square, entry fee \$5, renewable yearly.

An applicant may obtain two leases to dredge for gold of five miles each for a term

of twenty years, renewable at the discretion of the Minister of the Interior.

The lessee shall have a dredge in operation within one season from the date of the lease for each five miles. Reptal, \$10 per annum for each mile of river leased. Royalty at the rate of 2 1-2 per cent. collected on the output after it exceeds \$10,000. Waggoners
