COOKE'S CHURCH S. S.

HAD A FINE PICNIC ON WEDNESDAY.

"Glen Logie" Was the Scene of the Outing And the Big Company Soon Got Busy in Enjoyable Pleasures.

The annual picnic of Cooke's church Sunday school was held, on Wednesday afternoon, to "Glen Logie," the beautiful and picturesque home of D. O. Rogers, ex-M.P. Owing to the accident in the gear of the steamer America, the picnickers were a little late in arriving at the grounds, but the jolly crowd, which numbered 250, soon got to amusing themselves. Boating, swimming, fishing, baseball games, etc., all combined to make up a very pleasant afternoon. Constable Craig was only once called upon to make an arrest, this being the first prize in the double quoit contest, which he "ran in" very easily, being ably assisted by Sergt. William H. Hazlett, of the 14th P.W.O.R. The following is the list of prize winners:

Infant Class, girls, junior—Freda Graves; Edith Betts.

Infant Class, girls, senior—Edith Dunlop; Vera Shaw.

The pleasure seekers reached home at 8.45 p.m., all voting the picnic one of the best ever held by the school.

The Allan line steamer Sardinian, for Montreal, sailed from Havre, July 10th, with eighty cabin and two hundred and eighty-eight third-class passengers. The Allan steamer Parisian, for London, arrived at Gravesend, 2 p.m., July 11th.

CITY AND VICINITY.

Satisfied With Business.

"Last year our business was twenty-five per cent. better than any previous year, and by July 15th, judging from the way people are coming to the hotel, I can say that our business will be fifteen per cent. ahead of a year ago," stated Mr. Warburton, of the Thousand Island House, Alexandria Bay, when asked if the season wasn't a trifle light.

Some Capital Photographs.

Ronald Fortt, son of E. L. Fortt, of the Bank of Montreal, has some capital photographs of birds on their nests. One in particular, that of a mallard, is specially noteworthy. Those who know how shy and retiring this species of duck is will understand the difficulties young Mr. Fortt must have surmounted before "snapping" his specimen.

Was Badly Burned.

W. Card, Wolfe Island, met with a very painful accident a few evenings ago. The oil in one of the lamps in his pool room ran low, and in attempting to replenish it, he accidentally set fire to his clothing, severely burning his arm, as well as some of the furnishings of the room. But for the presence of mind of an onlooker, more serious results might have followed.

Finish The Work.

There is now talk of erecting a steel verandah on the west side of the city buildings to replace the old wooden one just removed. The cost would be $500. The old verandah was a great convenience to the market people, who seem lost without it, on a rainy day. Whatever may later be decided upon, it is the unanimous opinion that the city property committee should put the sides of the market building and grounds into respectable condition without any dilly-dallying. Let the work be completed with a rush.

Convicts To Be Deported.

A prisoner named Harrison, who is serving a term in the penitentiary is to be deported next week. He hails from the United States, and comes under the new law as undesirable. Although he has served only a short portion of his term, he is to go back to his native land. He will be sent to Detroit, where the United States authorities will take charge of him, and deal with him as they see fit. Another prisoner in the penitentiary here is also to be deported shortly.

Stop The Unhealthy Practices.

The unhealthy and dirty practice of some residents throwing refuse water, etc., into their yards, cannot be stopped too soon. Homes with sinks that carry the water into the yard, forming cess pools, needed to be attended to. The board of health ordered the practices ceased, and it is hoped that those in authority will see that the board's action is carried out. The city will be healthier if the practices are stopped and provision made for drainage for the houses that lack in that regard.

The Late Augustus Taplin.

One of the oldest and one of the few remaining pioneer residents of Elizabethtown died at his home, in Addison, Monday afternoon. The person was Augustus Taplin, well known throughout the country. He had been ailing for some time and as he was well up in the eighties his death was not altogether unexpected.

Born in Elizabethtown, the late Mr. Taplin spent his whole life in the township following farming until old age compelled his retirement.

The late Mr. Taplin's wife, who survives him, was a Miss Arnold, sister of the late Richard Arnold, of Athens, a member of the historic Arnold family of these counties. One son, Charles, in Colorado, is also left. Sidney A. Taplin, Athens' venerable resident, is a brother, and George T., of Elizabethtown, and Dr. Taplin, of Rochester, N.Y., are nephews.

TAKEN TO LINDSAY

COUNTERFEITERS WILL BE TRIED HERE.

One of the Men Run Down in Montreal Has Confessed—Said He Received Bills From Man He Did Not Know.

Montreal, July 11.—Eveleigh, one of the Windsor gang of counterfeiters, who was recently arrested in this city has made a confession of guilt in one case to Judge Choquet, before whom he appeared to-day. Eveleigh is one of the men whom Burke has confessed, at Lindsay, to sending out but Eveleigh claims he received bills from a man whom he does not know. Eveleigh will be taken to Lindsay, where all five of the gang now under arrest will be tried.

The Allan line steamship Corinthian, arrived in port to-day, having come by the Belle Isle route, being the first steamer of the season to come that way. The fact was not known, even to the head office, in this city, until the vessel docked, owing to the fact that it was impossible to communicate with land by means of the Marconi system which, as has already been reported, has not, so far, this season, been put in working order, a matter which is now under severe protest on the part of the steamship companies and Marconi people. This is blamed on the chief of the government telegraph system, who, it is alleged, has taken means to block the efforts of the Marconi company in its work.

A FREE PRESCRIPTION

From a Prominent Physician Cures Kidney Trouble.

Get from any good prescription druggist the following simple vegetable ingredients:

One ounce fluid extract dandelion; one ounce compound salatone; four ounces compound syrup sarsaparilla.

Mix, shake well, and take a teaspoonful after each meal, and at bedtime.

The doctor claims that this prescription will cure all forms of sciatica, lumbago, rheumatism, and blood disorders, owing to its action upon the eliminative tissues of the kidneys, assisting them to filter all poisonous acids and waste matter from the blood, and expel this in the urine.
