

Thousands of Women

ARE MADE WELL AND STRONG

Success of Lydia E. Pinkham's Vegetable Compound Rests Upon the Fact that it Really Does Make Sick Women Well.

Thousands upon thousands of Canadian women have been restored to health by Lydia E. Pinkham's Vegetable Compound. Their letters are on file in Mrs. Pinkham's office, and prove this statement to be a fact and not a mere boast.

Why has Lydia E. Pinkham's Vegetable Compound accomplished such widespread results for good?

Why has it lived and thrived and done its glorious work for a quarter of a century?

Simply and surely because of its sterling worth. The reason no other medicine has even approached its success is plainly and positively because there is no other medicine in the world so good for women's ills.

The wonderful power of Lydia E. Pinkham's Vegetable Compound over the disease of womanhood is not because it is a stimulant—because it is a palliative, but simply because it is the most wonderful tonic and restorer ever discovered to act directly upon the female system, positively curing diseases and displacements and restoring health and vigor.

Marvellous cures are reported from all parts of the country by women who have been cured, trained nurses who have witnessed cures, and physicians who have recognized the virtue in Lydia E. Pinkham's Vegetable Compound, and are fair enough to give credit where it is due.

Women who are troubled with painful or irregular periods, backache, bloating (or flatulence), falling inflammation, ulceration, that "bearing-down" feeling, dizziness, faintness, indigestion, nervous prostration, or the blues, should take immediate action to ward off the serious consequences and be restored to health and strength by taking Lydia E. Pinkham's Vegetable Compound. Anyway, write to Mrs. Pinkham, Lynn, Mass., for advice. It's free and always helpful.

IF YOU ARE NOT SURE OF THE RESULTS OF THIS TONIC, TAKE IT FOR 14 DAYS AND YOU WILL KNOW THE VALUE OF IT.

Each bottle contains a full supply of the Compound, and is guaranteed to give you relief. If you are not satisfied, you may get your money back.

For further particulars, send for the small pamphlet, "The Cause and Cure of Women's ills," which will give you all the information you need.

Mrs. P. E. Macarow, of Toronto, is here for the summer, and will be with her son Philip at Channel Grove the greater part of the time.

Something very cleverly arranged was found by Miss Frances Macarow when she accepted Miss May Bolger's invitation to a quiet little cup of tea on Saturday. For everything spoke of "Ireland." There was the green flag of Ireland upon the walls, another one, with its golden harp floated proudly from the cake, which was an island in the midst of hearts.

Mr. Buxton Smith came up from Prescott, on Monday, and will occupy Ardbeecon Carney's house till his return from the west.

Archebeon Groat came over from Delhi, N.Y., on Monday, and after spending a day or so with Canon and Mrs. Groat, Brook street, has gone down to Prescott for Mrs. Groat and children, who will return to Delhi with him.

Miss Gena Branscombe came down from Pieteron to spend Sunday with her people here.

Mrs. W. H. Wornwith, Clergy street, and her family, are going up, about the first of August, to "Hickory Park," a pretty spot on the lower shore of the Bay of Quinte between Pieteron and Glenora.

Mrs. R. W. McLaughlin, who has returned from a five weeks' visit to her son, Dr. J. R. McLaughlin, Perth Amboy, N.J., Miss Edda McLaughlin is at present with her mother, Mrs. W. E. McLaughlin, at her summer cottage, Macfarlane.

Mr. W. Meacham, of Chicago, who has been visiting Mr. W. G. Kidd, Barrie street, has gone down to Ottawa to visit his uncle, Dr. Kidd.

Mrs. J. S. Johnston, who has been visiting Mrs. R. H. Toye, Gore street, left, yesterday, for Montreal. Mrs. Johnston's visit here has been made very pleasant with several informal little gaieties.

Mrs. J. Poyntz French, who has been coming home from Winnipeg by way of the lakes, will take train at Toronto, to meet Mr. Kenneth Fenwick in Ottawa tomorrow. Mrs. Fenwick and Mrs. French will return to Kingston about August 15th and Mr. French will return to his home in Ontario, on the 1st of September.

There will be a noted woman in town this week, a woman named, whose name and fame will endure while the empire lasts, Mrs. Fessenden, of Hamilton, the founder of Empire day.

Mr. and Mrs. Francis R. Anglin, Queen street, and their three children, have gone down to their summer cottage on the river shore, beyond the hill.

DIDN'T WANT DINNER.

Lost Appetite When He Heard of Pardon.

A representative of the Guelph Herald interviewed Conductor Thompson, of the C.P.R., recently released from Kingston penitentiary, at the Commercial hotel in that city, where, surrounded by a crowd of happy trainmen of the C.P.R., he was chatting pleasantly, receiving many hearty handshakes and congratulations.

When asked for a few minutes' interview, Mr. Thompson, who is a short, blue-eyed, pleasant, round-faced little man, with a broad, winning smile, and frank, open manner, kindly left for a moment his circle of friends and withdrew with the reporter to a private room.

Here Mr. Thompson said: "I wish to thank very sincerely my friends in Guelph for their friendship to me during the time I was under suspicion, and to thank them for believing in me and the stand I took. More particularly I want to thank Mr. Jeffrey for all his work in my behalf, and also Mr. G. Guthrie and Mr. ... grand master of the Brotherhood of Railroad Trainmen, both of whom assisted in the fight for my release.

"Well," said Mr. Thompson, "I was under arrest altogether from the 11th of May to the 13th of July, and, except for two weekends, I spent in the jail there. I have been in the Kingston penitentiary, and I found it a hard place to be in. It was about eleven o'clock, Saturday morning, when the warden told me to go and get my dinner and that I would not need to return again because there was a pardon for me upstairs. I can't remember how I felt, but I didn't eat any dinner, you can depend on that."

OFFENSIVE MAIL EXCLUDED.

Increase in Mail Rates Has Proved Effective.

Ottawa, July 17.—The postoffice department has reported that it has gone to show that the change regarding second class matter had the effect which was desired of excluding the offensive American "fake" publications which formerly gave the postoffice so much trouble.

George Ross, chief inspector, has been making a tour of western Canada, where difficulty has been particularly felt, and in a series of reports he states that in large offices, such as Calgary and Edmonton, not a single one of the United States publications aimed at could be found in the general delivery pigeon holes, which he formerly was congested with them.

The Seattle newspapers, which formerly had a large circulation in Alberta, also seem affected by the law.

Mr. Ross notes that the American publications of the better sort which still come in continue to use the post-office for the long haul, the postage evidently being less than the express rates. Even here there is considerable gain to the revenue. In large offices, notices three packages which had paid \$5.00 in postage, whereas under the old regulations they would have paid only ninety-three cents, a gain of \$4.15 on the three.

BLOOD WAS DRAWN.

The S.P.C.A. Has Case Before Recorder Dupuis.

Montreal, July 17.—When Recorder Dupuis acceded the bench, to-day, he was greeted with a full newspaper, the line-up occasioning the first magisterial smile in several days.

The reason for the newspaper interest was the hearing of the first blood-drawing case of animal cruelty since the recorder's famous judgment in which he dismissed three cases of violence laid by the S.P.C.A., because blood had not been drawn. This brought down on him the wrath of hundreds of lovers of animals and the members of the S.P.C.A. To-day the blood-stained whip handle was put in evidence, by the police, and it was explained that the road was good and the horse was going. Only a few words were spoken, a nominal fine of \$5 was imposed and all was over in a few minutes.

BISHOP FINED \$10.

Performed Ceremony Without Proof of Civil Marriage.

Carcassonne, France, July 17.—The Catholic bishop of Beauiron was fined \$10 by a local court, yesterday, for violation of the penal code. The charge against the bishop was that he had performed a religious marriage ceremony before proof of the performance of the civil ceremony had been filed before him. The bishop pleaded that the resignations of the mayors of a number of the cities in the south of France, arising out of the discontent of the wine growers, had made it impossible for him to have the civil ceremony performed. The judge pointed out that the court of cassation had ruled that the law of separation had not abrogated the article of the code which requires the civil ceremony prior to the performance of the religious ceremony.

RAISULI DIED.

Caid Refuses to Leave Bandit a Traitor.

Tangier, July 17.—Advice received here says that Caid Maclean has refused to leave Maclean, where he is now held prisoner by Raisuli, and on which place the sultan's troops are now marching. Maclean is said to have had an angry dispute with Raisuli, in the course of which he called the bandit a traitor for sacrificing cattle in the sanctuaries.

The Kinnis trismen are exasperated with Raisuli and the chiefs have called a meeting with a view to taking measures for the release of Maclean.

Put a Little "MONTERRAT" In All The Water You Drink

Lime Fruit Juice

Fruit acids are cooling in summer.

Fresh fruit is all right sometimes—only all fruit is not fresh—and many stomachs don't take kindly to a fruit diet.

"Montserrat" supplies the fruit acid in its most healthful form.

"Montserrat" is the pure juice of ripe West Indian limes—with all the natural flavor of the fresh fruit.

It makes cold water more satisfying—makes ice water agree with you—makes the best lime-ade you ever tasted—and with ice, water and sugar, makes the most cooling of all summer drinks.

Grocers and druggists everywhere have "Montserrat."

"Montserrat" is the favorite for mixing with Drinks of all kinds—Wines—Spirituos Liquors or Mineral Waters.
