ECZEMA 15 YEARS WITHOUT RELIEF

Friend Recommended Cuticura—Uses Five Cakes Cuticura Soap and Two Boxes of Cuticura Ointment and is Entirely Cured—Feels Like New Man.

Gladly Recommends CUTICURA TO ALL. "I have had eczema for over fifteen years, and have tried all sorts of remedies to relieve me, but without avail. I stated my case to one of my friends and he recommended the Cuticura Remedies. I bought them with the thought that they would be unsuccessful, as with the others. But after using them for a few weeks I noticed to my surprise that the irritation and peeling of the skin gradually decreased, and finally, after using five cakes of Cuticura Soap and two boxes of Cuticura Ointment, it disappeared entirely. I feel now like a new man, and I would gladly recommend these remedies to all who are afflicted with skin diseases. David Blum, Box A, Bedford Station, N. Y., Nov. 6, 1903."

Little Son Had Eczema. "My son when four years of age had eczema on his body and limbs and suffered badly. Cuticura Remedies were recommended to me and I gave the complete treatment a trial and at the end of the third month my son was cured. I cannot say too much in praise of Cuticura Remedies and am always ready to recommend them to others. Mrs. G. H. Conant, Box 811, Rockland, Mass., Dec. 14, 1903."

Helpless Infants cured of Torturing, Disfiguring Humors, Eczemas, Tetter, Rashes, Itching and Irritations, owe more to Cuticura Soap and Cuticura Ointment than to all other remedies combined. No other so pure, so sweet, so speedily effective. May be used from birth.

AT THIS TIME OF THE YEAR Everyone needs something to create and maintain strength for the daily round of duties. There is nothing better than an Ale or Porter, the purity and merit of which has been attested by chemists, physicians and experts at the great exhibitions.

Parrot Gave Orders. Saturday Night. Many travellers over the Northern division of the Grand Trunk, will remember the late Edward Lashburn, who ten years ago, was the jovial and rotund proprietor of the refreshment rooms at Allandale station. Mr. Meeking had a parrot, which only recently died of old age, and this anecdotal bird was the best of a little incident over which the citizens of Barrie and its railway suburb still chuckle when they recall it. The parrot was a great talker and was quick at picking up and repeating the many sounds of a busy railway junction.

One summer morning as the engineer of a northbound train waited in his cab for the order to pull out, he found the familiar cry of "All aboard for North Bay!" followed by the command, "All right, Mike; go ahead!" He unhesitatingly obeyed, only to discover when he reached Barrie, a mile away, that the conductor was not on hand, but that Polly had acted as his proxy. The train had to run back to Allandale where the engine and tender started their trains without making certain that their orders to proceed were given by the proper official.
