Shake well and use in teaspoonful loses after each meal and at bedtime. A well-known physician states that these are harmless vegetable ingre-dients, which can be obtained from any good prescription pharmacy.

This mixture will clean the blood of all impurities. In just a few days the skin begins to clear of sores, boils and pimples. It puts vigor and energy into run-down debilitated men and women. For many years Sarsaparilla alone has been considered a good blood medicine. But while

it built up and made new blood, the impurities remained within and the good accomplished was only temporary. Sarsaparilla, however, when used in combination with Compound Salatone and Extract Bandelion, works wonders. This combinati puts the kidneys to work to filter and sift out the waste matter, uric acid, and other impurities that cause disease. It makes now blood and relieves rheumatism and lame back and bladder troubles.

GOVERNMENT STEPS IN. Garibaldi's Tomb Desecrated

GENERAL RICCIOTTE GARIBALDI Rome, July 17.-Great mitignation is reigning all over Italy over the sacrilege, as it is called, committed by General Ricciotti Garibaldi.
