## CONCILIATION ACT

### FAILED TO ADJUST TROUBLES AT SPRING HILL.

Two Points Were at Issue--One Was Decided in Favor of the Company, So Miners' Union Rejected the Award.

Spring Hill, N.S., July 24.--The board of conciliation under the Conciliation Act has failed to adjust the issues between the Cumberland Railway Coal Company and the miners employed by them. The men had asked for a board of conciliation to decide two points, one was regarding work in No. 14 chute, where peculiar conditions prevailed, but where only half a dozen men were engaged. The other was regarding the rate to be paid for stowing in pillar work, which affected a large number of the miners.

The board decided the first point in favor of the company. On the first point the board was unanimous; on the second the representatives of the men declined to sign the decision, so that it came in as a report of the majority.

Last night Pioneer Lodge, P.W.A., held a large meeting at which the report was rejected and a strike ordered to go into effect in August. Springhill people expect that the trouble will be long and bitter. It will affect about 21,000 employees of the mines. This strike will add another to the long list of labor conflicts in this mining town.

## MUCH SMALL-POX IN TORONTO

Toronto, July 24.--The smallpox situation in Toronto is causing some uneasiness among civic health authorities, the twenty-fifth case having developed to-day. The victim, a man, was at once removed to the smallpox hospital, where the other twenty-four patients are. Another reason for uneasiness is over a case at North Bay, the patient being a man who reached that point on a C.P.R. train, on Monday. As soon as it was noticed that he had the disease the car was run into a siding and detained, but, unfortunately, all the other passengers, for whom a search is now being made, are in the city. These included the Chinaman on his way to Toronto and, himself, is now in hospital at North Bay.

**MISS FLANAGAN WINS.**  
A Trip to Britain in the World's Contest.

Miss Sarah E. Flanagan, of the city clerk's office, is receiving many congratulations to-day over her success in the Toronto World's Trip to England contest. Miss Flanagan entered the contest a little late, but plodded on. The announcement on the closing day of the contest showed her in eleventh place among those outside Toronto and Hamilton. The final placed her right at the top. Corbin didn't show her hand till the last, and then went to the top like an elevator.

Kingston, thus, has a representative on the World's trip to England, this being the latest scene of the high and only great "Billy" Maclean to boom his sheet. The successful winners of the contest, eleven in number, will start out about August 1st in charge of a chapone, cross the brine deep and view some of the old world.

The province winners were:  
Miss M. Alin, Whitby, \$38.62.  
Miss Birdie Thompson, Peterboro, \$26.53.  
Miss T. E. Richardson, Oshawa, 733.789.  
Miss Sarah E. Flanagan, Kingston, 716.788.

## THE FATE OF CHINA

Said it Will Be Same as Korea.

St. Petersburg, July 24.--The Novos Vremya, to-day, published details of an alleged anti-dynastic movement in Southern China, ascribing it to Japanese instigators, who, the paper says, are busily preparing for the Manchou dynasty, in China, the same fate which has just overtaken the emperor of Korea.

**Holding A Conference.**  
Tokio, July 24.--According to a despatch, received here from Seoul, this morning, Marquis Ito received a long message, yesterday, from the imperial government, in this city, and opened negotiations with the Korean government the same evening. The Korean ministry is now holding a meeting behind closed doors.

**Made A Good Catch.**  
Col. Haulon and James Bate spent Tuesday fishing at Nine Mile Point, and made a good catch. They succeeded in landing a sixteen pound bass, averaging three and one half pounds, but the best catch of the day was the cod which was pulled out by Mr. Bate, and which caused quite a commotion in the boat. The cod could only be persuaded to drop into the lake, after being addressed in French by the colonel.

Rev. Canon Davidson, Peterboro, is at Wolfe Island, where he will spend a month's holidays. Mrs. Davidson and family accompany him.

Jenkins' sale for straw hats, half price.

J. B. Flaherty, circulation editor of the New York Herald, will be in the city yesterday.

Miss Katie Craig has returned, after visiting friends in Watertown, N.Y.

Jenkins' sale customers are all wearing a smile.

Ice cream known as the cream of quality, is the kind dispensed at Hogg's ice cream parlor.

Mark Blakey, Watertown, N.Y., spent to-day in the city with friends.

Jenkins' dividing his yearly profits. Come in and share in them.
