A Boon to the Bilious

Are you compelled to deny yourself many wholesome foods because you think they make you bilious? Do you know that your condition is more to blame than the foods? Your liver and stomach need attention more than the diet. When you find yourself suffering with a bilious attack, take

BEECHAM'S PILLS

and all annoying symptoms will soon disappear. They settle the stomach, regulate the liver and exercise the bowels. The good effects are felt immediately. Beecham's Pills mingle with the contents of the stomach and make easy work of digestion. The nourishing properties of the food are then readily assimilated and the residue carried off without irritating the intestines or clogging the bowels.

What A Pity.
 That ambitious people through hard work invariably neglect health. It is painful to look into their pale, tired faces and see plainly written there the evidence of transgressed law. The penalties of over-work are as easily seen as they are hard to bear. Sleepless nights, tired mind and body, heart that flutters and cause all sorts of uncomfortable feelings. Happily, if these symptoms have not been so long established, to be cured. Their remedy will cure them. Its mode of action is very simple, its curative power very great. It makes the patient eat more because it creates the wholesome feeling of hunger. Ferrous oxide digestion and well-digested food is converted into rich red blood—this good blood supplies food for the tired brain and nerve tissue and maintains the system. If you want strength and endurance use Ferroxone. It will give it to you. No other tonic is so full of nutrient and strength-making properties. Even one 60c. box will prove its enormous merit; try Ferroxone.
