THE MATCH-MAKIN MOTHER ON TOP.

Girls Sit in Corners While Mothe Capture Young Men-Spe Their Daughters' Chances. The "match-making mamma" rapidly becoming a person of the past. And to this fact the rapid decreasing marriage rate is largely a tributable. Certainly there rema with us a few dear motherly sou -who, while not denying that ma riages are made in heaven, real that their making is much facilita

But in the main the modern moth is more keen on asserting her o charms, her talents or prowess of o kind or another, than on giving 1 girls what is called "a show" or p senting them in an agreeable lig That mothers should enter in rivalry with their own daught when a suitor appears upon the see seems almost unbelievable. But it nevertheless a fact.

by a little tactful assistance here I

Again and again one has her "young eligibles" declare they wo never enter a particular house aga From the moment they were ushe into the drawing-room, they say, the time they descended the sta they had been the victims of the sire on the part of the mother hold the floor," which is the bane the modern girl's existence. "As if I want to see her hou 'snap-shots,' or hear about her

score." grumble these unfortur young men. "She's got three pre daughters, who sit like statues. their snapshots I want to see; I w to go golfing with them; but a fel never gets a chance !' So he golfs alone, and the day ters of these self-assertive da either become sour and disappoin or else mere ciphers-more like d

mutes than normal being.

Of course, "throwing a girl a men's head" is a detestable and var practice. But a certain amo help a mother may and she give to a young daughter in o that her story may have the "has ever-after" ending which marr alone is supposed to give. Perhaps it is an unwillingness admit the passing of youth that ca this curious state of things. Certa there is the greatest dislike an the middle-aged and elderly to ciation with their own contempora When a young man and his me are paying a call, does not one quently see the hostess take ins possession of the young man, whi falls to the lot of her daughter to tertain the parent? The young m bored to death, while his mother,
