What Is Herpes? It's a type of irritating skin disease that's becoming quite common. It spreads rapidly and affects different parts of the body. If your skin is itchy and irritable use a quick-acting remedy like Dr. Hamilton's Ointment. it penetrates the skin, allays the itching, gives relief at once. For any skin irritation, roughness or chapping there is nothing so certain as Dr. Hamilton's Ointment. Sold by all dealers in 50c. boxes.

No Strike Of C.P.R. Men. Montreal, Aug. 27 .- The telegraphers have received a communication from President Small, telling them not to interfere with chief operators sending American business, and this simplifies matters here, as it practically confirms the C.P.R. operators in their action, and averts a strike.
