

THE EIGHTH WONDER.

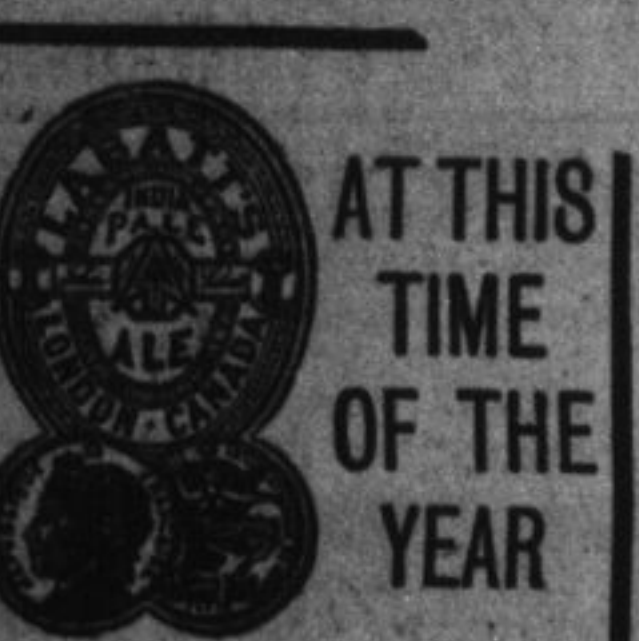

Makes Monday like Sunday. No work, and 40 pound water pressure will run it. Great saving in time, labor and clothes. It is built of brass, will wear for years. Can't you remember the name? Magic!

SPECIAL VIRTUES OF GRAHAM. The Montreal Witness has not had, perhaps, any special light on the subject, but in it appears a very reasonable explanation as to why Mr. Graham was called from the province to the federal service.

It is used to be the sport of the conservative press to heckle the attorney-general's department. But it is a serious thing to talk lightly of the merits of a public duty.

THE BANYAN PLOT. That he was tempted to rob the New York bank of \$100,000, by a woman, will not do. He was stealing before he saw her.

QUEBEC BRIDGE DISASTER. The facts are coming out with reference to the Quebec bridge disaster. Here was a stupendous enterprise, a task which was regarded as a feat in engineering.

THE TORONTO WORLD REPORTS THAT the bulk of the conservatives in Quebec would rather follow Mr. Bourassa. Would they also support the rallying cry of the moment, "Laurier at Ottawa and Bourassa at Quebec"?

Fallen From Grace. Hon. George E. Foster used to be a powerful pillar of the conservative party. Now there is some doubt as to whether the party can carry him.

A Fallen Idol. The Brookville Times has risen to the occasion, as we were sure it would, and boldly defends the Trenton voters' list-stuffing business.

Point Made Clearer. In appointing a committee to inquire into the subject of old age pensions, Nova Scotia merely emphasizes the general opinion of the maritime provinces that the whole of life ought to be a government job.

A Man of Versatility. Mr. Graham has had considerable parliamentary training as a member of the legislative assembly of Ontario.

A Most Capable One. The best wishes of Mr. Graham's tens of thousands of friends in Ontario, will go with him to his new and larger responsibilities, which he will, no doubt, effectively discharge.

A Conservative Endorsement. Mr. Graham is a representative Ontario man; and Sir Wilfrid Laurier is to be congratulated upon having chosen probably the very best man available for the purpose of representing Ontario in the Dominion government.

THE SPORT REVIEW

A NEW RUGBY UNION IS PREDICTED.

It will include Hamilton, Toronto, Ottawa and Montreal—Standing of League Teams. "We will probably enter the new union without hesitation," said a Rough Rider officer yesterday.

The playing rules, if the league or union will probably be similar to those of the Quebec Union, although it is proposed to do away with much of the scrimmage play. Light, fast men will be more useful than the heavy players and the game will be more of a spectacle.

EDITORIAL NOTES. The explanation is not forthcoming as to the manner in which Queen's scholarships have been awarded. It will not do to have the impression prevail that there is favoritism in the awards.

The Quebec bridge originally was to cost \$4,000,000. Then the sum was raised to \$6,000,000, and then to \$8,000,000. If the calculations as to soundness were as variable as the calculations as to cost there was something amiss.

ONLY ONE RAIN

Since Grain Was Sown—Two Ribs Broken.

Yarker, Sept. 2.—We had a very refreshing rain to-day, and we only hope all who needed it were also favored. In some sections of Lennox and Addington they have had but one shower of rain since grain was sown, and the gardens are dried up.

The suggestion came from Toronto or Hamilton and Montreal was strongly in favor of it. The expenses will be greater than in the Quebec Union, but the gate receipts will be doubled or tripled.

The playing rules, if the league or union will probably be similar to those of the Quebec Union, although it is proposed to do away with much of the scrimmage play.

An Ottawa despatch says: It is altogether likely that a new football union will be formed in the course of a few weeks, one that will be by far the strongest and best that Canada has ever had.

The Ottawa and Montreal clubs have made the league or union will probably be similar to those of the Quebec Union, although it is proposed to do away with much of the scrimmage play.
