I healtated for nearty a week, but one day when he came home very much intoxicated and his week's salary nearly all spent, I three off all lear and determined to make an effort to save our home from the ruin I saw coming, at all hazards. I sent for your Tasteless Samaria Prescription, and put it in his coffee as directed next morning and watched and prayed for the result. At noon I gave him more and also at supper. He never suspected a thing, and I then boldly kept right on giving it regularly, as I had discovered something that had set every nerve in my body lingling with hope and imposess, and I could see a bright future spread out before me—a peaceful, happy home, a share in the good things of life, an attentive loving husband, comforts and everything else dear to a woman's heart; for my husband had told me that whiskey was vile stuff and he was taking a fishke to it. It was only too true, for before I had given him the full course he had stopped drinking altagether, but I kept giving him the medicine till it was gone, and then sent for another lot, to have on hand if he should relapse, as he had done from promines before. He never has and I am writing you this letter to tell you how thankful I am. I homedly believe it will cure the worst cases."
