Semi-ready Coats are tailored by experts, and everything used is of tested, proven quality.

The silk thread used throughout costs twice as much as the ready-made clothes use, and the canvas linings are of the finest Irish weave. We pay more for materials and labour, and you are glad to pay more and get the real quality in the correctly tailored garment.

When you pay \$18 for a Semi-ready Suit you expect more. The suit lives up to your expectation, or we trade back your money for it.
