If you fee the past year he has been at home on his farm at Winchester, Ont., where his properties. Promptness may also save half you child. mother and sisters reside. Life in the country seems to agree with him. for, when called to inquise after his former conrade-in-in-arms, Wilfrid

Dougall, he presented every appearance of robust and healthy manhood. The inconvenience resulting from his lack of eyesight has been largely overcome by the assistance of readers, who over his studies with him, and his les sons and examinations are done, far as writing is necessary, by the of a typewriting machine, on which he has long been proficient.

When it became known that Mr. Mul lov wished to pursue his studies at Oxford, financial assistance was profered by several friends, but this he felt obliged for personal reasons where Rev. Mr. Munro has accepted a refuse. However, another proposal has since been made which would proba Hy be accepted by him. It has been suggested, in influential quarters, that in a portion of the balance still remain regard to the collection of letters ing of the Canadian Patriotic Fund, from the street postal boxes. Yester- which was raised to aid persons who were injured in the Boer war, could very properly be appropriated towards the rounds. Even Postmaster Stewart defraving the cost of three years' postwas seen aiding in the work. What is graduate course which Mr. Mulloy intends taking at Oxford. This suggestien has met with the hearty support of a large number of subscribers and directors of the fund. This being a national fund raised in recognition this a national service it is understood Tea that Mr. Mullov would regard the of-
