A WELCOME EXTENDED TO KENNETH HENDRY OF RIVERSIDE CALIFORNIA

By the Members of the First Congregational Church—He Was a Former Worker in That Church—Away 25 Years.

Last evening the members of the congregation of the First Congregational church held a social gathering and reception for Kenneth Hendry, of Riverside, California. The attendance was good, and of a representative character, and the spirit of comradeship and fraternity reigned. Mr. Hendry, who returns to his native city after an absence of twenty-five years, during which period he has had his residence in Riverside, California, was reminded again and again by various members of the congregation, that he was by no means forgotten by them. Some in the years of his young manhood he had taught in the Sunday school, to others his presence in the congregation at this time becomes the reminder of his efforts with them in their childhood to train their gift for sacred song. He was an indefatigable worker in almost every department of church work and particularly in the Sunday school and choir.
