### The Best Finish for any Room

in any building, is given by our Classified Steel Ceilings and Walls. They have a rich and elegant appearance, which would cost many times as much in any ther material. Yet they cost little more than plaster, and they're good forever.

Steel Ceilings and Walls are sanitary, fire-proof and vermin-proof. They are easily cleaned, and beautifully decorated, at slight expense. They

may be put on over old plaster, without dirt or muss, and much less time than it would take to replaster. Our Classified Steel Ceilings and Walls are the best you can buy. They are classified according to prevailing styles of architecture, thus ensuring perfect harmony in decoration. Our complete positively invisible joints—one which you'll be
