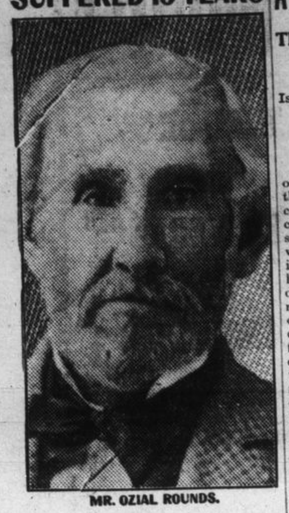
SUFFERED 15 YEARS



MR. OZIAL ROUNDS.

A President of Welland Finds Relief in Pe-ru-na.

Mr. Ozial Rounds, Welland, Ont., a retired lumberman and a resident of Welland for half a century, writes:

"For fifteen years prior to 1900 I was a sufferer from *hay asthma* and *chronic diarrhea*. I grew weak and emaciated and was tortured with *insomnia*.

"I was treated by eminent physicians but, if anything, was worse than ever. In fact, I was in as miserable a condition as a man could be.

"However, I chanced to try Peruna and noticed an improvement. Thus encouraged, I continued, and after taking several bottles of your precious *Peruna*, I was *entirely well* and a wonder to myself and friends.

"If, at my advanced age, 83 years, I have obtained such good results from Peruna, after so many years of needless suffering, there can be no doubt of its efficacy in the treatment of younger persons."

A CHURCH JUBILEE

THE METHODIST CHURCH OF NEWBURGH

Is Fifty Years Old—Father of Hon. A. B. Aylesworth is the Only Surviving Member of the Board of 1857.

Newburg, Oct. 1.—The official board of the Methodist church is busy with the preliminary arrangements for the celebration of the jubilee of the dedication of the church here. The date set for the event is November 17th, with a platform meeting on the following evening. This church is one of the historic churches of Methodism in this district and the jubilee will be made a memorable event. A special feature of it will be a thank-offering by the congregation of at least $500. An effort is being made to secure the presence of Hon. A. B. Aylesworth, minister of justice, as chairman of the meeting on the 18th. This is the church of his youth, and Mr. Aylesworth's father, J. B. Aylesworth, is now the only surviving member of the board of 1857.

The public library board has shown a very worthy public spirit in loaning a number of books from the library to the high school for use as supplementary reading by the pupils during the term. This is a means of co-operation which might be copied by other boards even in connection with public schools. They also contributed two annual membership tickets as prizes in the high school sports, to be held on October 11th. These sports are exciting considerable interest. The public will be heartily welcomed to see them. There are twenty-four events on the programme.

On Saturday last, W. D. M. Shorey left for Toronto, to enter the law school at Osgoode Hall. In Mr. Shorey, Newburg is losing for the time, a very useful citizen. He is a young man, of enthusiasm and energy, and has already served his native village in many capacities with a public spirit that would do credit to a much older man. He has been a very valuable member of the public library board, which received his resignation with regret, last week. For two years he has been president of the Epworth League and a very faithful officer. He wields a prolific pen and has ably represented the village in the press for years. His many friends wish him unbounded success in his chosen profession and will follow his progress with deep interest.

Dr. M. I. Beeman is in Atlantic City, this week, attending an international meeting of the Public Health Association, as representative of the provincial board of health, of which he is a member. His practice is being supplied by Dr. R. M. Mills, of Kingston. Prof. and Mrs. Mathison, of Kingston, arrived in the village on Monday morning.

The very dark nights of the last week have accentuated the already sorely-felt need of some system of lighting for the village. The council may feel assured that the citizens generally will heartily support them in making some provision for street lighting.

George Walker has bought from the Masonic order the lot adjoining the drug store, and is preparing to erect a building for an up-to-date meat shop. Miss Luella Knapp, of Kingston, formerly organist in the Methodist church here, is visiting in town this week.

HE USED A GAG.

Stocking Came in Handy For Burglar.

New York, Oct. 2.—Dolly Evans, who has a boarding house at 162 West Fifty-fourth street, telephoned to the West Forty-seventh street police station, yesterday, and told the lieutenant that a negro had forced his way into the house and assaulted one of her lodgers. Detective Fitzpatrick and a squad of reserves hurried to the house, but the negro had gone.

Ida B. Clark, who said she is twenty-one years old and is from Denver, told the police that she was asleep in the back parlor when she was aroused by footsteps in the room. In the dim light in the room she saw a negro rummaging through bureau drawers. He had a razor in one hand, she said, and advancing to the bed he thrust the other hand under her pillow and seized an envelope containing $100 in cash, a ticket for Denver and a Pullman sleeper ticket.

"If you make an outcry I'll kill you," he said, according to Miss Clark's story. Then he gagged her with her stockings that hung over the foot of the bed. Then he tore from her finger a gold ring set with four diamonds, and disappeared through the rear window.

Although her hands were free, Miss Clark said she was unable to remove the gag until her negro assailant had fled, and even then she and Mrs. Evans had a hard job of it in removing the knotted stockings.

VERDICT FOR MOTHER.

The Claim Put Up By Insurance Company.

Belleville, Oct. 2.—At the assizes, which opened in this city, yesterday, before Chancellor Boyd, the first case was Crooks vs. the Mutual Life Insurance company, of Canada. Mrs. Crooks sued for $1,000, the amount of a policy on the life of her son, James J. Crooks, who was killed on the G.T.R. The defendant denied liability, saying Crooks insured as a car checker when he was in reality a switchman. The case occupied all yesterday afternoon and evening, and the jury finally brought in verdict for the plaintiff.

PASSED BAD CHEQUE

REPRESENTED HERSELF TO BE MRS. C. C. INGLEHART.

Duped Auburn and Syracuse Hotelmen—Is Now Awaiting Examination on Grand Larceny Charge.

Watertown, N.Y., Standard.

Mrs. Grace Hunt, formerly of Picton, Ont., is under arrest in Syracuse, N.Y., charged with grand larceny; by Charles S. Averill of the Yates Hotel, in swindling him out of $50 by passing herself as Mrs. C. C. Inglehart of this city and getting him to cash a cheque for that sum which she had signed as Mrs. C. C. Inglehart. The cheque was sent here for collection and was returned marked "worthless."

She was first arrested in Syracuse and taken to Auburn, where the warrant for her arrest had been sworn out by Charles Digmum, proprietor of the Osborne house in that city. The charge there was passing a worthless cheque. She restored the money to the hotel man and was permitted to plead guilty to the charge of petty larceny. She paid a fine of $10. She was later returned to Syracuse for the authorities there.

In Auburn she first went to the National bank of Auburn with a cheque payable to Mrs. C. C. Inglehart for $50 and made by Mrs. W. H. Hunt. The bank officials refused to honor the cheque until she was identified and the paper endorsed. Then she went to the hotel proprietor and secured the money.

A week ago she was in Syracuse and stopped at the Yates. She claimed to be the wife of Mr. Inglehart and stated he was a hotel man. Because it was supposed she was a hotel man's wife she was not compelled to pay board. Subsequently she appeared with the $50 cheque which was cashed.

Mrs. Hunt claims that after a few weeks of married life, her husband, Francis Hunt, deserted her. Her maiden name was Osborne, she said. The police at Syracuse are making an investigation.

Man Afraid Of Being Kissed.

Washington, Oct. 2.—Because he was afraid of being kissed, Thomas H. Gardner, forty-two years old, of Baltimore, has been sent to the government hospital for the insane. According to the arresting Policeman Gardner has been stopping folks on the street, and demanding that they let him alone. "These people want to kiss me, and I won't stand for it," he said.

They call it singing school in the country and choir practice in the city, but it's all the same.

Concerning Compensation.

Of one thing you may be assured, and that is that for every good act performed in your life you will receive fullest and fairest compensation. Reward and remuneration are not in any way subject to the favor of God, but are entirely under the dominance of natural laws. For every good act you will surely receive your compensation of happiness, quite apart from the fact of your being saved or unsaved. The law of compensation applies to all souls alike. Do good and you will receive good. Do evil, and you cannot escape its penalty of ill.
