It is natural for the intelligent purchaser to depend more and more upon big trade mark names for security. Take "Queen Quality" Shoes. The reputation of that name has cost a million dollars, and it is worth that to-day. Can the makers afford to stamp that name upon any shoe that didn't deserve it? Can they afford to sacrifice quality? You know it stands for our protection. That's why it easily leads all other Women's

The House of Good Shoemaking.
