OUTSKIRTS OF VANCOUVER DOT-TED WITH THEIR TENTS

Work For Undesirable Immigran -Feeling Against Asiatics Rur Very High-Another Outbreak Feared-Orientals Ignore Sanitary Precautions - Undermining White Labor-Police Force Increased.

The recent rioting in Vancouver tials flocked to British Columbia an practically robbed the working mer out of the means of sustenance. The recent riet was of longer duration and flercer, if anything, than the was comparatively small. Now the hundreds of organized workmen of the city are joining with the laborers in the determined attempt to prevent the Chinese from obtaining labor in the

Hindoos who arrived on the Ku-have not succeeded in obtain ing work, and they are starving in agged tents on the outskirts of Vantents, even after they had only been

tic solution before he could force himed by the captain of the party, which now numbers about 700 persons. More Trouble Feared.

Just what will be done when the ther vessels now on their way to Vancouver, loaded with brown and allow men, against whom the spite the crowd appears to have swayed, tor. A proposal has been made to land them at Port Moody, a milling town about ten miles from the city, where large numbers of Japs are em-ployed. The difficulty would be in this case for the steamer to make a landing owing to the wharves. The

position of foremen, and act as inter- wheat harvest has to be considered, probably disclose the facts. preters when required. Consequently the positions of bell boys are eagerly sought after, and no white youth is allowed to remain in his position if mental, and the work has to be considered, and in the lumber districts the men begin to go to the woods in August. Thus training, as a rule, is only regimental, and the work has to be done are all trace of the vessel. The

sleeps in the bunk-house provided.

Just recently some of the Tyee Chinamen, or chiefs of the local Chinese organization, sometimes known as the Highbinders, asked a man who is thinking of erecting a large manufac-turing establishment employing thou-sands, whether he would pay the head tax of \$500 and the fares from China of 300 laborers, who would be bonded T. McAuley.

This offer, which is similar to hundred to revive the native arts and dreds made by the Tyees, is binding on the unfortunate Chinamen brought over in this manner, for if they should endeavor to break away from the bondsmen's employment the High-binders' pelice would be called upon to take action and imprison the Celestial for the length of time he has the diver in which to receive the native arts and crafts of the red man, and to preserve them from total extinction.

We have been sending the Indian to school and making out of him every kind of a man from a carpenter to a lawyer. The dusky maidens, too, have had "reding, 'riting and 'rithmetie" drilled into them by the patient teach-Canton and Shanghai alleys abound.

The feeling of the white men is mounting to white heat, and it only needs some slight action on the part of a Chinaman to participate in an expense the reservations, and some of the wealthy daughters of the Five Nations have been "finished" for society at the family expense like their pale-faced sisters, at boarding schools,

IR CANADIAN MILITIA.

Fraining Compared With That of the

There are several considerations at the present time, says a writer in Parliament, under which all establishThe London Daily Telegraph. In ments doing an export or inter-protheir organization and conditions of vincial packing or capping trade in Two Classes of Militia

tia, enlisted voluntarily. These are divided into two categories the first consisting of what is termed the permanent force, and the accord of the active militia. The first-mentioned is eases, and must observe rules of sanibenefit of a liberal pension scheme for all ranks. They include two regi-ments of mounted troops, two batposed of ten companies of infancorps. In addition, there are the Northwest Mounted Police, a body of men resembling the Cape Mounted Rifles in South Africa, and, although employed entirely on police duty in the Northwest, are really soldiers of

valuable prizes are offered for competition. In addition, certificates, signed by the Minister for Militia and Defence and the Chief of the General Staff, are issued to marksmen who attain a certain proficiency. For as average of 94 points out of a possible 105 a special first-class certificate is granted, 90 points entitle a marksman to a first-class certificate, while 80 points qualify for a second-class certificate. Members of rifle associa-

tions do not perform any military Little Chance For Training. The training of the Canadian militia does not compare favorably with that of our own volunteers. For what men, who have found their places in are termed rural corps—that is, bet-British Columbia as cooks and laun- talions raised in the country districts of a superior race to the white men. tary work during the rest of the year, ashore recently, two miles west of They are taking positions in the lum- save a few ceremonial movements Gulliver's Cove, 12 miles from Digby, ber camps and mills formerly occu- practiced just before the annual in- on the Bay of Fundy shore, and lies pied by white men, while at the pres- spection.
